

M-BRACE SCOPE MOUNTS - AMERICAN RIFLE COMPANY 40MM 1.50" 25 MOA SCOPE MOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The M-BRACE Scope Mounting System embodies an evolutionary step taken from ARC's successful M10 Scope Rings that have served thousands of riflemen for over a decade. It is an engineered product standing alone in stark contrast to the conveniently designed gadgets for which engineering was never a consideration. NOTE: When attached to the far aft recoil slot in the picatinny rail on an action with 90 degree bolt rotation, the 32mm height M-BRACE serrated interface block may interfere with the bolt handle when opened. This issue can usually be avoided by moving the mount forward 1 slot in the picatinny rail. Torque spec: 6.2 Nm (55 in-lbs) on scope clamp and rail mount screws. Torque spec: 3.4 Nm (30 in-lbs) on bubble level screw.

Attributes

- Name: [AMERICAN RIFLE COMPANY 40MM 1.50" 25 MOA SCOPE MOUNT BLACK](#)
- Manufacturer: [AMERICAN RIFLE COMPANY](#)
- Product no.: 100050437
- Mfr. No.: MB-M-40-38-25
- Elevation: 25 MOA
- Finish: Black
- Height: 1.50"
- Scope Tube Diameter: 40mm
- Style: Picatinny
- Delivery weight: 0.404kg
- Shipping height: 89mm
- Shipping width: 76mm
- Shipping length: 140mm

MBRACE Scope Mounts Safety Instruction Guide

Introduction

Thank you for choosing the MBRACE Scope Mount from American Rifle Company. This guide provides essential safety instructions to ensure the safe and effective use of your scope mount. Please read this document carefully before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure that the MBRACE Scope Mount is used only as intended. This product is designed for mounting scopes on rifles and should not be used for any other purpose.
- **Enhanced Recalls:** Stay informed about any product recalls. If a recall is issued, follow the instructions provided for returning or remedying the product.
- **Online Shopping:** If purchased online, ensure that the seller complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer's contact point provided with your purchase.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for updates on any safety concerns related to this product.

Specific Safety Precautions for Use

- **Installation Location:** When installing, ensure that the mount is positioned correctly on the picatinny rail. Improper installation may lead to interference with the bolt handle.
- **Torque Specifications:** Adhere to the specified torque settings:
 - 6.2 Nm (55 inlbs) for scope clamp and rail mount screws.
 - 3.4 Nm (30 inlbs) for bubble level screw.
- **Height Consideration:** Be aware that the 32mm height MBRACE serrated interface block may interfere with the bolt handle when opened. If this occurs, move the mount forward one slot on the picatinny rail.
- **Inspection:** Regularly inspect the mount for signs of wear or damage. If any issues are detected, discontinue use and consult a professional.

Instructions for Installation and Usage

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a torque wrench.
2. **Position the Mount:** Place the MBRACE Scope Mount on the desired location on the picatinny rail of your rifle.
3. **Secure the Mount:**
 - Use the specified torque settings to tighten the scope clamp and rail mount screws.
 - Ensure that the bubble level screw is also tightened to the specified torque.
4. **Check Alignment:** Verify that the scope is aligned properly before securing it fully.
5. **Test Functionality:** After installation, open the bolt handle to ensure there is no interference. If interference is noted, adjust the mount as necessary.
6. **Final Inspection:** After installation, inspect all screws and components to ensure they are secure.

Disposal Instructions

- Dispose of the MBRACE Scope Mount responsibly. Follow local regulations for electronic and metal waste disposal.
- Do not dispose of the product in regular household waste. Check for recycling options in your area.

Contact Information for Further Support

For any questions or concerns regarding the MBRACE Scope Mount, please refer to the manufacturer's contact information provided with your purchase.

Thank you for your attention to these safety guidelines. Enjoy using your MBRACE Scope Mount responsibly and safely.
