

# SVG M-LOK VERTICAL GRIP - SLATE BLACK INDUSTRIES SVG M-LOK VERTICAL GRIP BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Vertical Grips](#)

The Slate Vertical Grip is a drop in/screw-on upgrade for any grip, MLOK rail or MLOK compatible surface. Unlike other Vertical Grips, the SVG has been specifically designed to interface with MLOK, not adapted to MLOK from picitanny. The result is a much more trim and minimalist footprint than other grips on the market, specifically at the point of attachment. Further, just as with the Slate Stop, the SVG has been created with multifaceted implementation methods in mind. Designed by military and competition shooters, the shapes and angles of the SVG are optimized to improve the user's ability to control recoil, gain stability while shooting on barricades or objects, better access light and laser activation buttons, and comfortably carry and move the firearm while not actively employing it. Please note that this is not a full-length vertical grip. Kalashnikov / AK type rifles were a consideration when designing the SVG, and the height of the SVG does not interfere with AK magazines while reloading. The SVG boasts high temperature resistance, full MLOK lugs, and steel hardware to ensure the utmost level of durability. The SVG interfaces directly with the SBI Slate Grips to present the best possible grip and profile for the user. SBI's FDE is a "peanut-butter" brown, and ODG is a direct match for Magpul's coloration. Sometimes photography may show it in a skewed color depending on the studio lights used. Material: fiber reinforced high-temp polymer. [Size: 2.49in tall] We strongly urge customers to use our 3mm long allen wrench to access the screw head to properly fasten at torque spec.

## Attributes

- Name: [SLATE BLACK INDUSTRIES SVG M-LOK VERTICAL GRIP BLACK](#)
- Manufacturer: [SLATE BLACK INDUSTRIES](#)
- Product no.: 100050460
- Mfr. No.: VG-M-BLK
- Attachment: M-LOK
- Colour: Black
- Material: Polymer
- Weapon type: AR-15
- Delivery weight: 0.036kg
- Shipping height: 25mm
- Shipping width: 95mm
- Shipping length: 108mm
- UPC: 705333505252

## Item details

US export classification: 0A501.y.1

# Safety Instructions for SVG MLOK Vertical Grip

## Introduction

Thank you for choosing the SVG MLOK Vertical Grip by Slate Black Industries. This product is designed to enhance your shooting experience while ensuring safety and functionality. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely.

## General Safety Guidelines

- Ensure the product is suitable for your firearm model (AR15).
- Always handle firearms with care and follow all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the grip for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use the grip if it shows signs of damage or if the hardware is loose.
- Ensure that the grip is securely attached to the firearm before use.
- Avoid using excessive force when installing or adjusting the grip.
- Do not modify the grip or its components in any way.
- Use the recommended 3mm long allen wrench for installation to prevent damage.
- Be aware of your surroundings when handling firearms equipped with the grip.

## Instructions for Installation and Usage

### Installation Steps

1. **Gather Tools:** Ensure you have a 3mm long allen wrench for installation.
2. **Position the Grip:** Align the SVG MLOK Vertical Grip with the MLOK rail on your firearm.
3. **Secure the Grip:**
  - Insert the screws into the grip's mounting points.
  - Use the allen wrench to tighten the screws to the manufacturer's torque specifications.
4. **Check Stability:** After installation, ensure the grip is firmly attached and does not move.

### Usage Guidelines

- Hold the grip firmly while shooting to maintain control and stability.
- Use the grip to access light and laser activation buttons easily.
- Practice safe handling and shooting techniques while using the grip.
- Always ensure the firearm is unloaded when installing or adjusting the grip.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic and polymer materials.
- Do not incinerate the grip as it may release harmful substances.
- Consider recycling options if available in your area.

## Contact Information for Further Support

For any inquiries regarding safety, installation, or usage, please refer to your local retailer or the manufacturer's website for assistance.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our top priority. Enjoy your experience with the SVG MLOK Vertical Grip!
