

# SVG M-LOK VERTICAL GRIP - SLATE BLACK INDUSTRIES SVG M-LOK VERTICAL GRIP FDE

[Rifle Parts](#) > [Grip Parts](#) > [Vertical Grips](#)

The Slate Vertical Grip is a drop in/screw-on upgrade for any grip, MLOK rail or MLOK compatible surface. Unlike other Vertical Grips, the SVG has been specifically designed to interface with MLOK, not adapted to MLOK from picatinny. The result is a much more trim and minimalist footprint than other grips on the market, specifically at the point of attachment. Further, just as with the Slate Stop, the SVG has been created with multifaceted implementation methods in mind. Designed by military and competition shooters, the shapes and angles of the SVG are optimized to improve the user's ability to control recoil, gain stability while shooting on barricades or objects, better access light and laser activation buttons, and comfortably carry and move the firearm while not actively employing it. Please note that this is not a full-length vertical grip. Kalashnikov / AK type rifles were a consideration when designing the SVG, and the height of the SVG does not interfere with AK magazines while reloading. The SVG boasts high temperature resistance, full MLOK lugs, and steel hardware to ensure the utmost level of durability. The SVG interfaces directly with the SBI Slate Grips to present the best possible grip and profile for the user. SBI's FDE is a "peanut-butter" brown, and ODG is a direct match for Magpul's coloration. Sometimes photography may show it in a skewed color depending on the studio lights used. Material: fiber reinforced high-temp polymer. [Size: 2.49in tall] We strongly urge customers to use our 3mm long allen wrench to access the screw head to properly fasten at torque spec.

## Attributes

- Name: [SLATE BLACK INDUSTRIES SVG M-LOK VERTICAL GRIP FDE](#)
- Manufacturer: [SLATE BLACK INDUSTRIES](#)
- Product no.: 100050461
- Mfr. No.: VG-M-FDE
- Attachment: M-LOK
- Colour: Flat Dark Earth
- Material: Polymer
- Weapon type: AR-15
- Delivery weight: 0.036kg
- Shipping height: 25mm
- Shipping width: 95mm
- Shipping length: 108mm
- UPC: 705333505269

## Item details

US export classification: 0A501.y.1

# Safety Instruction Guide for SVG MLOK Vertical Grip

## Introduction

Thank you for choosing the SVG MLOK Vertical Grip from Slate Black Industries. This product is designed to enhance your shooting experience by providing improved control and stability. Please read this safety instruction guide carefully to ensure safe and proper use of the product in compliance with EU consumer safety regulations.

## General Safety Guidelines

- Ensure that the SVG MLOK Vertical Grip is compatible with your firearm before use.
- Always handle firearms with care, following all safety protocols.
- Inspect the grip for any signs of damage or wear before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the grip for any purpose other than its intended use.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attaching or detaching the grip.
- Avoid using the grip in extreme temperatures or conditions that may affect its performance.
- Do not force the grip onto the firearm; ensure proper alignment with the MLOK slots.
- Use the provided 3mm long allen wrench to securely fasten the grip at the specified torque.
- Be aware of the grip's height; it is designed to not interfere with AK magazines during reloading.
- If you notice any unusual behavior or performance from the grip, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and safe to handle.
- Gather the necessary tools, including the 3mm long allen wrench.

### 2. Installation Steps:

- Align the SVG MLOK Vertical Grip with the desired MLOK slot on your firearm.
- Insert the grip into the slot and ensure it is seated properly.
- Using the 3mm long allen wrench, tighten the screw head to the recommended torque specification.
- Doublecheck that the grip is securely attached before use.

### 3. Usage:

- Grip the SVG firmly during shooting to enhance control and stability.
- Utilize the grip to improve access to light and laser activation buttons.
- Practice safe firearm handling techniques at all times.

## **Disposal Instructions**

- Dispose of the SVG MLOK Vertical Grip in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the SVG MLOK Vertical Grip, please contact the manufacturer or refer to the product's official website for more information.

Thank you for prioritizing safety and compliance with these guidelines. Enjoy your shooting experience with the SVG MLOK Vertical Grip!
