Safety Instruction Guide for STEEL 3DIE PISTOL DIE SETS LEE PRECISION 7.62 TOKAREV FULL LENGTH SIZING 3DIE SET STEEL

Introduction

Thank you for choosing the Lee Steel 3DIE Pistol Die Set for your reloading needs. This guide provides essential safety instructions and usage information to ensure your experience is safe and efficient. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before use.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading materials.
- Store reloading components, including dies, in a safe, dry place away from children and pets.
- Regularly inspect your equipment for wear or damage before use.
- Do not exceed recommended powder charges and always refer to trusted load data.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use only the recommended lubrication for steel dies to prevent case sticking.
- Ensure that your workspace is clean and organized to minimize the risk of accidents.
- Be aware of the potential hazards associated with handling firearms and ammunition.
- Keep the dies and reloading components away from heat sources and open flames.
- Do not attempt to modify or alter the dies in any way.

Instructions for Installation and Usage

1. Setup

- Ensure your reloading press is securely mounted on a stable surface.
- Gather all necessary tools and components, including the Lee Steel 3DIE Set, shell holder, powder dipper, and instructions.

2. Installation of Dies

- Install the Full Length Sizing Die into the press first.
- Tighten securely according to the manufacturer's specifications.
- Next, install the Bullet Seating Die, ensuring it is adjusted for the desired bullet seating depth.
- Finally, install the Powder Through Expanding Die.

3. Using the Dies

- Lubricate cases before resizing to prevent sticking in the Full Length Sizing Die.
- Follow the instructions provided for using the Powder Through Expanding Die to ensure proper powder measurement.
- Use the Bullet Seating Die to seat bullets to the specified depth, referring to your load data for guidance.

4. PostUse

- Clean the dies after use to maintain their condition and performance.
- Store the dies and components in a safe location.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of reloading materials or chemicals in regular household waste. Follow local hazardous waste disposal guidelines.

Contact Information for Further Support

For any inquiries regarding product safety or usage, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and successful reloading experience with your Lee Steel 3DIE Pistol Die Set. Thank you for your attention to safety!
