

AR-15 ECHO CONVERSION KIT 22LR - CMMG AR-15 ECHO CONVERSION KIT W/ 25-RD MAGAZINE 22LR BLK

[Rifle Parts](#) > [Bolt Parts](#) > [Bolt Carrier Groups](#)

Just swap this drop in conversion with the bolt carrier group from your 5.56/.223 chambered rifle and you will be ready to shoot .22LR. Ships with 25rd 22LR magazine. For best performance use a round style hammer as notched hammers can cause function issues and 36 grain plated nose bullets have proven to be the best choice for function. NOTE: Since .223 WYLDE is NOT a mil-spec chamber, CMMG cannot guarantee fit or function with our 22LR conversion kits

AR15 ECHO Conversion Kit Safety Instructions

Introduction

Thank you for choosing the AR15 ECHO Conversion Kit. This product allows you to convert your 5.56/.223 chambered rifle to shoot .22LR ammunition. It is essential to follow safety guidelines to ensure safe use and optimal performance.

General Safety Guidelines

- Always treat your firearm and conversion kit as if they are loaded.
- Ensure that the conversion kit is compatible with your firearm before installation.
- Use only the specified ammunition type (.22LR) with this conversion kit.
- Regularly inspect your firearm and conversion kit for any signs of wear or damage.
- Store your firearm and conversion kit securely and out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use a round style hammer for best performance; notched hammers can cause function issues.
- Use 36 grain plated nose bullets for optimal functioning.
- Do not attempt to use this conversion kit with any chamber other than .223 WYLDE, as compatibility cannot be guaranteed.
- Ensure that your firearm is unloaded before performing any installation or maintenance work.
- Keep your fingers away from the trigger until you are ready to shoot.
- Always wear appropriate eye and ear protection when shooting.

Instructions for Installation and Usage

Installation Instructions

1. Prepare Your Firearm:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove the bolt carrier group from your rifle.

2. Install the Conversion Kit:

- Carefully insert the AR15 ECHO Conversion Kit into the receiver where the bolt carrier group was located.
- Ensure that the conversion kit is seated properly and securely.

3. Reassemble Your Firearm:

- Reattach any components removed during the installation process.
- Doublecheck that everything is secured before proceeding.

Usage Instructions

1. Load the Magazine:

- Use the included 25round .22LR magazine to load your ammunition.
- Ensure that the magazine is properly seated in the firearm.

2. Prepare to Shoot:

- Check that the firearm is in a safe position.
- Aim at your target and ensure that the area is clear of any obstructions.

3. Firing:

- Pull the trigger only when you are ready to shoot.
- Follow all local laws and regulations regarding shooting.

4. PostUse:

- After shooting, ensure that the firearm is unloaded.
- Clean and maintain the conversion kit and firearm as per the manufacturer's instructions.

Disposal Instructions

- Dispose of any unused or damaged ammunition according to local laws and regulations.
- For the conversion kit, follow local guidelines for the disposal of firearm components.
- Do not throw away the kit in regular trash; instead, take it to a designated disposal facility.

Contact Information for Further Support

For any safety inquiries or support related to the AR15 ECHO Conversion Kit, please refer to the manufacturer's contact information provided with your product. Ensure you have the product details ready for any inquiries.

By following these safety instructions, you can ensure a safe and enjoyable experience with your AR15 ECHO Conversion Kit. Always prioritize safety and responsibility when handling firearms.
