# **Safety Instruction Guide for the 308 WINCHESTER / 7.62mm Bolt Carrier Group**

## **Introduction**

Thank you for choosing the Aero Precision .308 / 7.62 Bolt Carrier Group. This product is designed for use in bigbore rifle builds and is engineered for high performance and reliability. To ensure safe handling and operation, please read this safety instruction guide carefully.

## **General Safety Guidelines**

- Always treat the Bolt Carrier Group as if it is loaded.
- Keep the Bolt Carrier Group out of reach of children and unauthorized users.
- Wear appropriate eye and ear protection when using firearms.
- Ensure that the firearm is in good working condition before installation and use.
- Follow all local laws and regulations regarding firearm use and ownership.
- Regularly inspect the Bolt Carrier Group for signs of wear or damage.

## **Specific Safety Precautions for Use**

- Ensure that the Bolt Carrier Group is compatible with your specific AR .308 model before installation.
- Do not attempt to modify or alter the Bolt Carrier Group in any way.
- Avoid using any ammunition that is not specified for use with the .308 / 7.62 Bolt Carrier Group.
- Always follow the manufacturer's instructions for installation and usage.
- If you notice any unusual behavior or performance issues while using the Bolt Carrier Group, cease use immediately and consult a qualified gunsmith.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation.

### **2. Installation:**

- Remove the existing Bolt Carrier Group from your AR .308.
- Insert the new .308 / 7.62 Bolt Carrier Group into the upper receiver.
- Ensure that the gas key is properly aligned and secured with Grade 8 hardware.
- Attach the forward assist if applicable.

### **3. Usage:**

- Load the firearm with compatible ammunition only.
- Perform a function check to ensure that the Bolt Carrier Group operates smoothly.
- Fire the firearm in a controlled environment, adhering to all safety protocols.

### **4. Maintenance:**

- Clean the Bolt Carrier Group regularly to prevent buildup of residue.
- Inspect the firing pin and extractor for signs of wear.
- Store the Bolt Carrier Group in a dry and secure location when not in use.

## **Disposal Instructions**

- Dispose of the Bolt Carrier Group in accordance with local regulations.
- Do not dispose of the Bolt Carrier Group in regular household waste.
- Contact a local firearms dealer or recycling center for proper disposal options.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact an authorized dealer.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your Aero Precision .308 / 7.62 Bolt Carrier Group. Thank you for your attention to safety.
