# Safety Instruction Guide for M4E1 Lower Complete with MOE SL Grip & SL Stock

## Introduction

Thank you for choosing the M4E1 Complete Lower Receiver with MOE SL Grip and SL Stock by Aero Precision. This product is designed for use in building custom AR15 rifles. To ensure your safety and the safety of others, please read this guide carefully before using the product. It contains important safety information, installation instructions, and guidelines for proper use and disposal.

## General Safety Guidelines

- Ensure that all users of this product are familiar with firearm safety and handling practices.
- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store this product and any associated firearms in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the product for signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation can lead to malfunction or injury.
- Failure to follow safety guidelines can result in accidents.

### • Instructions for Avoiding Hazards:

- Only use parts and accessories that are compatible with the M4E1 Lower Receiver.
- Ensure that all parts are properly installed and secured before use.
- Do not modify the product in any way that could impair its function or safety.

### • Age Specific Warnings:

- This product is intended for use by individuals aged 18 years and older.
- Keep this product away from children and untrained individuals.

## Instructions for Installation and Usage

### 1. Installation:

- Before beginning installation, ensure you are in a safe and controlled environment.
- Gather all necessary tools and components, including:
  - M4E1 Lower Receiver
  - MOE SL Grip
  - MOE SL Carbine Stock
  - Lower Parts Kit
  - Carbine Receiver Extension
  - AR15 Carbine Buffer and Spring
- Follow these steps for installation:

1. Begin by inserting the Lower Parts Kit into the M4E1 Lower Receiver according to the manufacturer's instructions.
2. Attach the MOE SL Grip by aligning it with the designated area on the lower receiver and securing it with the provided screws.
3. Install the Carbine Receiver Extension by threading it into the lower receiver until securely fastened.
4. Attach the MOE SL Carbine Stock to the receiver extension, ensuring it is locked in place.
5. Perform a final check to ensure all components are securely attached and functioning correctly.

## 2. **Usage:**

- After installation, familiarize yourself with the operation of the firearm.
- Always use appropriate ammunition (5.56 mm NATO) when using the assembled firearm.
- Conduct regular maintenance checks and clean the firearm as necessary to ensure optimal performance.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the product becomes damaged or is no longer in use, ensure it is disposed of safely to prevent unauthorized access.
- Consider recycling components where possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the M4E1 Complete Lower Receiver, please consult the manufacturer's website or contact their customer support for assistance. Always ensure you have the latest information regarding safety recalls and product updates.

By following this safety instruction guide, you can help ensure a safe and enjoyable experience with your M4E1 Complete Lower Receiver. Always prioritize safety and responsible handling.
