

# Z320 XCARRY OCTANE SLIDES W/ RMR CUT - Z320 XCARRY OCTANE SLIDE W/ RMR OPTIC CUT BLACK DLC

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

## A Red-Dot-Ready Slide for Your SIG XCarry

Make your concealed-carry gun red-dot ready through the easy addition of this ZEV Technologies Z320 XCarry Octane Slide. This slide comes ready to rock with an RDS cut, as well as a host of other enhancements designed to take your CCW setup to the next level. Each ZEV Technologies Octane Slide comes outfitted with a milled slot at the rear that's specifically designed to accommodate the Trijicon RMR red-dot sight. The milled slot sits just forward of the rear sight, so you can install and remove your optic without disturbing your open rear sight, and it also allows for the installation of suppressor-height sights for co-witnessing. A cover plate is included for use without an optic. The ZEV Technologies Octane Slide designed for SIG Sauer handguns also comes with the company's unique slide-channeling serrations. This offers an enhanced gripping surface and reduces glare, so you won't be distracted by sun rays reflecting off your slide surface. The slide is also treated with a black DLC coating that's tough enough to withstand heavy use while preventing wear and corrosion.

## Attributes

- Name: [Z320 XCARRY OCTANE SLIDE W/ RMR OPTIC CUT BLACK DLC](#)
- Manufacturer: [ZEV TECHNOLOGIES](#)
- Product no.: 100061285

# Z320 XCARRY OCTANE SLIDE Safety Instruction Guide

## Introduction

Thank you for choosing the Z320 XCARRY Octane Slide with RMR Cut by ZEV Technologies. This guide provides essential safety information and instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before using the slide.

## General Safety Guidelines

- **Product Safety:** Ensure that the Z320 XCARRY Octane Slide is used only with compatible firearms and in accordance with the manufacturer's specifications.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided by the manufacturer.
- **Online Shopping:** When purchasing online, ensure you are buying from authorized retailers to guarantee product authenticity and safety.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer's contact information provided with your product.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that the Z320 XCARRY Octane Slide is compatible with your SIG Sauer P320 model.
- **Installation:** Only install the slide according to the instructions provided in this guide. Improper installation may lead to malfunctions or accidents.
- **Optic Installation:** When installing an RMR optic, follow the manufacturer's instructions carefully to avoid damaging the slide or the optic.
- **Maintenance:** Regularly inspect the slide for wear and tear. If you notice any defects, discontinue use and consult a professional.
- **Storage:** Store the slide in a secure location, away from children and unauthorized users.

## Instructions for Installation and Usage

### 1. Installation of the Slide:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the factory slide from your SIG Sauer P320.
- Align the Z320 XCARRY Octane Slide with the frame.
- Slide it into place until it locks securely.
- Check that the slide operates smoothly.

### 2. Installation of the RMR Optic:

- Remove the cover plate from the milled slot on the slide.
- Align the RMR optic with the milled slot.
- Secure the optic using the screws provided by the optic manufacturer.
- Ensure the optic is firmly attached and does not interfere with the rear sight.

### 3. Usage:

- Always ensure that your firearm is pointed in a safe direction when handling.
- Engage the safety mechanism if available before loading or unloading.
- Follow all local laws and regulations regarding concealed carry and firearm use.

## **Disposal Instructions**

- Dispose of the Z320 XCARRY Octane Slide in accordance with local regulations regarding firearm components.
- Do not dispose of the slide in regular household waste. Contact your local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or support regarding the Z320 XCARRY Octane Slide, please refer to the contact information provided with your product packaging.

By following these safety instructions, you contribute to a safer environment for yourself and others. Thank you for your attention to these important guidelines.
