

Z320 XCARRY OCTANE SLIDES W/ RMR CUT - ZEV TECHNOLOGIES

Z320 XCARRY OCTANE SLIDE W/ RMR OPTIC CUT GRAY

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

A Red-Dot-Ready Slide for Your SIG XCarry

Make your concealed-carry gun red-dot ready through the easy addition of this ZEV Technologies Z320 XCarry Octane Slide. This slide comes ready to rock with an RDS cut, as well as a host of other enhancements designed to take your CCW setup to the next level. Each ZEV Technologies Octane Slide comes outfitted with a milled slot at the rear that's specifically designed to accommodate the Trijicon RMR red-dot sight. The milled slot sits just forward of the rear sight, so you can install and remove your optic without disturbing your open rear sight, and it also allows for the installation of suppressor-height sights for co-witnessing. A cover plate is included for use without an optic. The ZEV Technologies Octane Slide designed for SIG Sauer handguns also comes with the company's unique slide-channeling serrations. This offers an enhanced gripping surface and reduces glare, so you won't be distracted by sun rays reflecting off your slide surface. The slide is also treated with a black DLC coating that's tough enough to withstand heavy use while preventing wear and corrosion.

ZEV Technologies Z320 XCARRY OCTANE SLIDE

Safety Instruction Guide

Introduction

Thank you for choosing the ZEV Technologies Z320 XCARRY Octane Slide with RMR Cut. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your new slide. Please read this document carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the Z320 XCARRY Octane Slide by following all instructions provided in this guide.
- **Enhanced Recalls:** Be aware of standardized recall notices. If you receive notifications regarding this product, follow the instructions provided for safe return or remedy.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements. Verify the product's authenticity and safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please consult the relevant EU authorities or your retailer.
- **Rapid Alerts:** Stay updated on product safety by checking the EU's Safety Gate platform for any alerts regarding this product.

Specific Safety Precautions for Use

- **Read All Instructions:** Before use, read all instructions and safety guidelines provided in this manual.
- **Inspect Before Use:** Always inspect the slide for any signs of damage or defects before installation and use.
- **Use Appropriate Equipment:** Ensure that your firearm is compatible with the Z320 XCARRY Octane Slide. Use only compatible optics as specified.
- **Avoid Modifications:** Do not modify the slide or any of its components. Unauthorized modifications may lead to unsafe operation.
- **Safe Handling:** Always handle the firearm with care. Treat every firearm as if it is loaded, and keep the muzzle pointed in a safe direction.
- **Wear Protective Gear:** When installing or using the slide, wear appropriate protective gear, including safety glasses and hearing protection.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation, including a screwdriver and any specific tools recommended by the manufacturer.

2. Installation:

- Remove the existing slide from your firearm according to the manufacturer's instructions.
- Align the ZEV Technologies Z320 XCARRY Octane Slide with the frame of your firearm.
- Securely attach the slide, ensuring that all components are properly aligned.
- If using an optic, follow the manufacturer's instructions for mounting the Trijicon RMR red dot sight.
- Install suppressor height sights if desired, ensuring they are correctly positioned for co-witnessing.

3. **PostInstallation Check:**

- After installation, perform a function check to ensure that the slide operates smoothly.
- Verify that the optic is securely mounted and properly zeroed before use.

4. **Usage:**

- When using the firearm, maintain proper shooting stance and follow all standard firearm safety practices.
- Regularly inspect the slide and optic for wear and tear, especially after extensive use.

Disposal Instructions

- **Proper Disposal:** Dispose of the Z320 XCARRY Octane Slide and any related components in accordance with local regulations for hazardous materials.
- **Recycling:** If applicable, recycle materials in compliance with local recycling guidelines.

Contact Information for Further Support

For any additional support or inquiries regarding the ZEV Technologies Z320 XCARRY Octane Slide, please refer to the retailer from whom you purchased the product or consult relevant EU authorities for guidance.

By following these safety instructions and guidelines, you can ensure the safe and effective use of your ZEV Technologies Z320 XCARRY Octane Slide. Thank you for your attention to safety.
