

PIVOT SUNGLASSES - MAGPUL GLASSES BLACK FRAME/VIOLET LENS/GREEN MIRROR POLARIZED

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Glasses](#)

The Pivot is a casual design based on Magpul's Explorer model, merging high performance with casual style in a fit that suits small to medium faces. Its lightweight frame, low profile temples, and impact-resistant lens and frame combination are casual enough for everyday use. The Pivot's frames are constructed from TR90NZZ, the strongest thermoplastic material available for eyewear and, combined with its impact-resistant lenses, makes them some of the most durable, flexible, and lightweight sunglasses available. Their oleophobic polycarbonate lenses shed liquid and won't be degraded by water, sweat, or chemicals. The overmolded anti-slip rubber nose and temple pads prevent slippage, no matter what activity you're engaged in. The Pivot comes in a range of polarization, color and mirror options to give you the premium clarity and contrast you need from a great pair of shades, while also supporting many high energy activities in variable light conditions and environments. Constructed of TR90NZZ, the frames combine lightweight construction and ballistic protection, providing rugged strength and flexibility. Though not rated to Z87.1 due to the more casual design of the Pivot, the lens and frames were engineered to the same ballistic impact protection standards as our other eyewear. Oleophobic lenses repel water and provide oil, sweat, sunscreen and other chemical protection. Coated stainless steel pins provide simple but dependable hinge functionality. Anti-slip rubber nose and temple pads. Polarized and Non-Polarized lens option.

Attributes

- Name: [MAGPUL GLASSES BLACK FRAME/VIOLET LENS/GREEN MIRROR POLARIZED](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100075137

Safety Instruction Guide for PIVOT SUNGLASSES MAGPUL

Introduction

Thank you for choosing PIVOT SUNGLASSES MAGPUL. This guide provides essential safety information to ensure the safe use and enjoyment of your sunglasses. Please read this guide carefully before using the product.

General Safety Guidelines

- The PIVOT SUNGLASSES are designed for casual use and should be handled with care.
- Ensure that the sunglasses are suitable for your face size; they are designed for small to medium faces.
- Inspect the sunglasses for any damage before use. Do not use if you notice cracks or defects in the lenses or frame.
- Keep the sunglasses out of reach of children to prevent accidental injury or damage.
- Follow all local laws and regulations regarding eyewear use, especially while driving or participating in sports.

Specific Safety Precautions for Use

- **Lens Protection:** The lenses are impactresistant; however, avoid exposing them to extreme force.
- **Oleophobic Lenses:** The oleophobic coating helps repel water and oils. Clean lenses with a soft, lintfree cloth to maintain their clarity.
- **Polarization:** Polarized lenses reduce glare and improve visibility in bright conditions. Ensure you understand how to use polarized lenses effectively.
- **AntiSlip Features:** The rubber nose and temple pads are designed to prevent slippage. Adjust them for a secure fit.
- **Chemical Resistance:** The sunglasses are resistant to sweat and chemicals, but avoid prolonged exposure to harsh substances.

Instructions for Installation and Usage

1. Fitting the Sunglasses:

- Place the sunglasses on your face to check the fit.
- Adjust the rubber nose and temple pads as needed for comfort and security.

2. Cleaning the Lenses:

- Use a soft, lintfree cloth for cleaning.
- Avoid using abrasive materials that may scratch the lenses.
- Do not use harsh chemicals; mild soap and water are recommended for cleaning.

3. Storing the Sunglasses:

- Store the sunglasses in a protective case when not in use to prevent scratches and damage.
- Keep them in a cool, dry place away from direct sunlight.

4. Using in Different Conditions:

- The sunglasses are suitable for various light conditions. However, be cautious in very lowlight situations as visibility may be reduced.
- If using for sports or outdoor activities, ensure a secure fit to prevent them from falling off.

Disposal Instructions

- When the sunglasses reach the end of their life cycle, dispose of them responsibly.
- Check local regulations for proper disposal of plastic and other materials.
- Consider recycling options where available.

Contact Information for Further Support

For any safety inquiries or product concerns, please reach out to your local retailer or manufacturer. They can provide further assistance and information regarding your PIVOT SUNGLASSES MAGPUL.

By following these guidelines, you can ensure a safe and enjoyable experience with your PIVOT SUNGLASSES MAGPUL. Thank you for your attention to safety.
