

PIVOT SUNGLASSES - MAGPUL PIVOT GLASSES BLACK FRAME/GRY-GRN LENS POLARIZED

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Glasses](#)

The Pivot is a casual design based on Magpul's Explorer model, merging high performance with casual style in a fit that suits small to medium faces. Its lightweight frame, low profile temples, and impact-resistant lens and frame combination are casual enough for everyday use. The Pivot's frames are constructed from TR90NZZ, the strongest thermoplastic material available for eyewear and, combined with its impact-resistant lenses, makes them some of the most durable, flexible, and lightweight sunglasses available. Their oleophobic polycarbonate lenses shed liquid and won't be degraded by water, sweat, or chemicals. The overmolded anti-slip rubber nose and temple pads prevent slippage, no matter what activity you're engaged in. The Pivot comes in a range of polarization, color and mirror options to give you the premium clarity and contrast you need from a great pair of shades, while also supporting many high energy activities in variable light conditions and environments. Constructed of TR90NZZ, the frames combine lightweight construction and ballistic protection, providing rugged strength and flexibility. Though not rated to Z87.1 due to the more casual design of the Pivot, the lens and frames were engineered to the same ballistic impact protection standards as our other eyewear. Oleophobic lenses repel water and provide oil, sweat, sunscreen and other chemical protection. Coated stainless steel pins provide simple but dependable hinge functionality. Anti-slip rubber nose and temple pads. Polarized and Non-Polarized lens option.

Attributes

- Name: [MAGPUL PIVOT GLASSES BLACK FRAME/GRY-GRN LENS POLARIZED](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100075138

PIVOT SUNGLASSES SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the PIVOT SUNGLASSES by MAGPUL. Your safety is our priority. This guide provides essential safety instructions and guidelines to ensure the proper use and maintenance of your sunglasses. Please read this document carefully to maximize your product experience while adhering to safety standards.

General Safety Guidelines

- Ensure safe use of the sunglasses by following these guidelines:
 - Always inspect the sunglasses before use for any visible damage or defects.
 - Use the sunglasses only for their intended purpose: protection against sunlight and glare.
 - Keep the sunglasses out of reach of children to prevent accidental damage or injury.
 - Avoid using the sunglasses in conditions that may pose a risk, such as extreme temperatures or environments with chemicals.

Specific Safety Precautions for Use

- To enhance your safety and product longevity, please observe the following precautions:
 - Do not expose the sunglasses to high temperatures, such as leaving them in a hot car or near heat sources.
 - Avoid using the sunglasses for activities that may cause impact or stress beyond normal wear, such as contact sports.
 - Clean the lenses with a soft, dry cloth to avoid scratching. Do not use abrasive materials.
 - If the sunglasses become damaged, discontinue use immediately and replace them.
 - Be cautious when wearing the sunglasses while driving or operating machinery, as polarized lenses may affect visibility under certain conditions.

Instructions for Installation and Usage

- Proper usage will ensure optimal performance and safety:
 - **Wearing the Sunglasses:**
 - Place the sunglasses gently on your face, ensuring a snug fit without excessive pressure.
 - Adjust the rubber nose and temple pads for comfort and stability.
 - **Cleaning the Sunglasses:**
 - Use a microfiber cloth to clean the lenses.
 - For stubborn stains, use a mild soap solution and rinse thoroughly with water before drying.
 - **Storing the Sunglasses:**
 - Store the sunglasses in a protective case when not in use to prevent scratches and damage.
 - Keep the sunglasses in a cool, dry place away from direct sunlight.

Disposal Instructions

- When it is time to dispose of your sunglasses, please follow these guidelines:
 - Dispose of the sunglasses in accordance with local regulations for plastic and electronic waste.
 - If the sunglasses are no longer usable, consider recycling components where possible.
 - Do not dispose of the sunglasses in regular household waste.

Contact Information for Further Support

- For any inquiries regarding safety or product information, please reach out to your local MAGPUL representative or retailer.

Conclusion

By following these safety instructions, you will help ensure the longevity and functionality of your PIVOT SUNGLASSES. Always prioritize safety and enjoy your outdoor activities with confidence. Thank you for choosing MAGPUL!
