# Safety Instruction Guide for BUSHING BUMP NECK SIZING BUSHINGS

## Introduction

Thank you for choosing the Forster Bushing Bump Neck Sizing Bushings. This guide provides essential safety instructions and usage information to ensure safe and effective operation of the product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the bushings for any signs of wear or damage before use.
- Keep the bushings out of reach of children and vulnerable individuals.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the bushings.
- Do not use the bushings with dies from other manufacturers, as this may pose safety risks.
- Follow all local regulations regarding the handling and disposal of materials related to reloading and firearms.

## Specific Safety Precautions for Use

- Always ensure that the bushing is properly installed in the die before use.
- Do not exceed the recommended specifications for the bushing size and usage.
- Use the bushings only with the Forster Precision Plus Bushing Bump Dies.
- Avoid using excessive force when resizing to prevent damage to the bushing or die.
- If you experience any unusual resistance or difficulty during resizing, stop immediately and inspect the equipment for issues.
- Store the bushings in a dry and safe location to prevent corrosion or damage.

## Instructions for Installation and Usage

### 1. Installation of the Bushing:

- Ensure that the die is clean and free from debris.
- Carefully insert the bushing into the die, ensuring it is seated properly.
- Tighten the locking mechanism of the die to secure the bushing in place.

### 2. Using the Bushing:

- Prepare your cases according to standard reloading practices.
- Insert the case into the die with the installed bushing.
- Operate the press to resize the neck of the case, applying steady and even pressure.
- Inspect the resized case for uniformity and correctness.

### 3. PostUse Care:

- After use, clean the bushing with a soft cloth to remove any residue.
- Store the bushing in its designated container to prevent damage.

## Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local waste disposal regulations.
- Do not dispose of bushings in regular household waste. Check for recycling options available in your area.

## Contact Information for Further Support

For any inquiries regarding safety or product usage, please contact the manufacturer directly. Ensure you have the product details on hand for reference.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Forster Bushing Bump Neck Sizing Bushings. Thank you for your attention to safety and compliance.
