A Magazine Extension Designed for the Popular Smith & Wesson M&P Shield

Thanks to a proprietary design developed by the engineering team at Tyrant Designs, owners of Smith & Wesson M&P Shield handguns can extend the capacity of their single-stack defensive pistols with ease! The Tyrant Designs Magazine Extension is one of the easiest-to-install mag extensions made today. Each Tyrant Designs Smith & Wesson M&P Shield Magazine Extension adds two rounds to the overall capacity of an OEM magazine with an incredibly low amount of effort. Each extension can be installed onto your factory Smith & Wesson magazine in fewer than 10 seconds! The Tyrant Designs M&P Shield Magazine Extensions are machined from aerospace-grade aluminum and are designed to function with the original factory magazine spring. The design features smooth, rounded edges, and the overall size matches the profile of your gun's pistol grip. The overall length of the extension is 1.15 inches, and it measures .90 inch wide. The unit will add 1.2 ounces of weight.

S&W M&P SHIELD +2 MAGAZINE EXTENSIONS TYRANT CNC Safety Instruction Guide

Introduction

Thank you for choosing the S&W M&P Shield +2 Magazine Extensions by Tyrant CNC. This product is designed to enhance the capacity of your Smith & Wesson M&P Shield handgun safely and effectively. Please read this safety instruction guide carefully to ensure proper installation and usage, as well as to understand the safety measures necessary for your protection and the protection of others.

General Safety Guidelines

- Always ensure your firearm is unloaded before installing or handling the magazine extension.
- Keep the magazine extension and all firearm accessories out of reach of children and unauthorized users.
- Inspect the magazine extension for any damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm accessories.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about recall notices and product safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the magazine extension is compatible with your specific model of Smith & Wesson M&P Shield.
- Do not exceed the recommended capacity of the magazine as indicated by the manufacturer.
- Avoid using the magazine extension in conditions that may lead to excessive wear or damage, such as extreme temperatures or moisture.
- Regularly check the magazine extension for secure attachment and functionality before each use.
- If you experience any malfunction while using the magazine extension, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Steps

1. **Prepare Your Workspace:** Ensure you are in a clean, dry area with adequate lighting. Gather your tools, if necessary.
2. **Unload Your Firearm:** Ensure your Smith & Wesson M&P Shield is completely unloaded. Remove the magazine and check the chamber.
3. **Remove the Factory Magazine Base Plate:**
 - Press the magazine release button to remove the magazine from the firearm.
 - Locate the base plate on the magazine and press down on the locking tab.
 - Slide the base plate off the magazine body.
4. **Install the Tyrant Designs Magazine Extension:**
 - Align the magazine extension with the magazine body.
 - Slide the extension onto the magazine until it clicks into place, ensuring it is securely attached.
5. **Reinsert the Magazine Spring:** Ensure the factory magazine spring is properly seated within the magazine extension.
6. **Test the Installation:** Before using the magazine, check that the extension is securely attached and that the magazine functions properly.

Usage Guidelines

- Load the magazine extension with the appropriate number of rounds, ensuring it does not exceed the maximum capacity.
- Insert the magazine into the firearm and ensure it locks into place.
- Always follow safe handling practices when using your firearm, including keeping the muzzle pointed in a safe direction.

Disposal Instructions

- Dispose of any damaged or unusable magazine extensions in accordance with local regulations.
- Do not dispose of the magazine extension in regular household waste. Instead, take it to a designated recycling or hazardous waste facility if applicable.
