

OCTAGON FRONTIER 17 HMR LEVER ACTION RIFLE - HENRY REPEATING ARMS OCTAGON FRONTIER 17 HMR 20" BBL 11RD BLUED STANDARD LOOP

[Home](#)

HENRY OCTAGON FRONTIER 17 HMR LEVER ACTION RIFLE Like stagecoaches, swinging saloon doors and Pony Express riders, there are many innovations of the Old West that have long faded from use and live on only in Western movies and history books. But there are still a few frontier staples that were so effective and ahead of their time that they remain in use today. Take, for instance, the intimidating octagonal barrels commonly found on the repeating rifles of that period. These heavy-duty workhorses sported added mass and extra weight to aid in heat absorption, making them the forerunners to the bull barrels used on modern target and varmint rifles. So as a tip of the Stetson in honor of this timeless barrel style, Henry replaced the standard round barrel normally used on their world-famous .22 LR and .22 Magnum rifles with a classic 20" octagonal model, like those favored by the cowpunchers, lawmen, homesteaders and outlaws who blazed the trail westward across America. They rounded out this traditional look with an easy-to-adjust Marbles semi-buckhorn rear sight with a diamond insert and a highly visible brass beaded front sight seated in standard 3/8" dovetail slots. A metal barrel band secures both the barrel and the high-capacity tubular magazine to the highgrade American walnut stock. If you prefer a more modern look, the receiver is grooved so you can top off any rifle in this line with your choice of scopes. Both the stock and forearm are crafted of the same richly grained hand-finished American walnut typically found on rifles costing up to three times as much. SPECIFICATIONS: Action Type: Lever Action Caliber: 17 HMR Capacity: 11 Rounds Barrel Length: 20" Barrel Type: Blued Steel Rate of Twist: 1:9 Overall Length: 38.5" Weight: 6.25 lbs. OCTAGON 20IN 17 HMR BLUE 11+1RD Safety Instruction Guide

Introduction

Thank you for choosing the OCTAGON 20IN 17 HMR BLUE 11+1RD by Henry Repeating Arms. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your firearm. Please read this manual carefully before using the product.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Do not place your finger on the trigger until you are ready to shoot.
- Ensure the firearm is stored in a safe location, out of reach of children and unauthorized users.
- Regularly inspect your firearm for any signs of wear or damage.
- Always use the appropriate ammunition specified for your firearm.
- Be aware of your surroundings and ensure that there is a safe backstop when shooting.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

• Hazard Awareness

- Be aware that improper handling of firearms can lead to serious injury or death.
- Understand the risks associated with the use of firearms, including accidental discharge and misuse.

• Age Restrictions

- This firearm is intended for use by individuals aged 18 years and older. Ensure that younger individuals are supervised by a responsible adult during any handling or shooting activities.

• Personal Protective Equipment

- Always wear appropriate eye and ear protection when shooting.
- Ensure that bystanders are also protected from noise and flying debris.

Instructions for Installation and Usage

• Installation

- Ensure that the firearm is unloaded before installation.
- Follow the manufacturer's instructions for any accessories or modifications.
- Securely attach any components as per the guidelines provided in the product manual.

• Usage

- Load the magazine with the appropriate 17 HMR cartridges.
- Insert the magazine into the firearm until it clicks securely in place.
- To fire, ensure the safety is in the "fire" position.
- Aim at the target, check your surroundings, and pull the trigger only when ready.

- After firing, always check the firearm to ensure it is clear of any obstructions.

- **PostUsage Care**

- After use, clean the firearm according to the manufacturer's instructions.
- Store the firearm in a secure location, preferably in a locked safe or cabinet.

Disposal Instructions

- Dispose of any unused ammunition in accordance with local regulations.
- Do not throw firearms or ammunition in regular trash. Contact local authorities or a licensed disposal service for safe disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please reach out to the manufacturer or your local authorized dealer. Always ensure that you have the latest information and guidance regarding the safe use of your firearm.

Thank you for prioritizing safety while using your OCTAGON 20IN 17 HMR BLUE 11+1RD. Your adherence to these guidelines ensures not only your safety but also the safety of those around you.
