# **ZEROED Ambidextrous Charging Handle Safety Instruction Guide**

## **Introduction**

Thank you for choosing the ZEROED Ambidextrous Charging Handle for your AR15 firearm. This guide provides essential safety instructions and operational guidelines to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide thoroughly before using the charging handle to ensure safe and effective operation.

## **General Safety Guidelines**

- Always ensure that your firearm is pointed in a safe direction when handling or manipulating the charging handle.
- Keep the charging handle and firearm out of reach of children and unauthorized users.
- Inspect the charging handle regularly for any signs of wear or damage.
- Use the charging handle only with compatible AR15 platform firearms.
- Be aware of your surroundings and ensure that the area is clear of obstructions and bystanders when operating the firearm.

## **Specific Safety Precautions for Use**

- Always wear appropriate eye and ear protection when shooting.
- Do not use the charging handle if it is damaged or malfunctioning.
- Ensure that the firearm is unloaded before installing or handling the charging handle.
- Avoid using excessive force when operating the charging handle; it is designed for smooth operation.
- When using gloves, ensure that they do not interfere with your grip or control of the charging handle.

## **Instructions for Installation and Usage**

### **Installation**

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing charging handle from the firearm by following the manufacturer's instructions.
3. Align the ZEROED Ambidextrous Charging Handle with the receiver of the AR15.
4. Insert the charging handle into the receiver, ensuring it is properly seated.
5. Test the charging handle by pulling it back to ensure smooth operation.

### **Usage**

- To charge the firearm, grip the charging handle firmly with one or both hands.
- Pull the charging handle back smoothly and release it to allow it to return to its original position.
- Practice using the charging handle to become familiar with its operation, especially in various shooting positions.

## **Disposal Instructions**

- Dispose of the charging handle in accordance with local regulations regarding metal and aluminum recycling.
- If the product is damaged beyond use, ensure it is disposed of in a way that prevents any potential hazards to the environment or public safety.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the ZEROED Ambidextrous Charging Handle, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure the safe and effective use of the ZEROED Ambidextrous Charging Handle. Always prioritize safety and responsible handling practices when operating your firearm. Thank you for your attention to these important safety measures.
