# ZEROED Ambidextrous Charging Handle Safety Instruction Guide

## Introduction

Thank you for choosing the ZEROED Ambidextrous Charging Handle by CMMG. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your charging handle. Please read the following information carefully to maximize your safety and the performance of your product.

## General Safety Guidelines

- **Product Safety:** Always ensure that your charging handle is installed correctly and used in accordance with the manufacturer's instructions. This product is designed for the AR15 platform and should only be used with compatible firearms.
- **Enhanced Recalls:** Stay informed about any safety recalls related to this product. If you receive a recall notice, follow the instructions provided to remedy the situation.
- **Online Shopping:** If you purchase this product online, ensure that you are buying from a reputable source that complies with EU safety regulations.
- **Special Consumer Focus:** Keep this product out of reach of children and ensure that it is used only by individuals who are knowledgeable about firearms.
- **EU Contact Point:** For any safety inquiries, ensure you have access to the manufacturer's contact information, which should be available upon purchase.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates regarding any unsafe products.

## Specific Safety Precautions for Use

- **Installation:** Ensure that the charging handle is securely installed before using your firearm. A loose charging handle can lead to malfunction or injury.
- **Usage:**
  - Always handle firearms with care and treat every firearm as if it is loaded.
  - Use the charging handle with a firm grip to avoid slippage, especially when wearing gloves or using optics.
  - Do not force the charging handle if it does not operate smoothly; inspect for obstructions or damage.
- **Maintenance:** Regularly inspect the charging handle for signs of wear or damage. Replace it if any defects are found.
- **Storage:** Store the charging handle in a safe and dry place, away from children and unauthorized users.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing charging handle if applicable.
- Align the ZEROED charging handle with the receiver and slide it into place until it is fully seated.
- Ensure that the handle operates smoothly by pulling it back and releasing it.

### 2. Usage:

- To charge the firearm, grasp the handle firmly with your dominant hand.
- Pull the charging handle back fully to the rear and release it to chamber a round.
- If using optics, ensure that your grip does not obstruct your view.

## **Disposal Instructions**

When it comes time to dispose of your ZEROED Ambidextrous Charging Handle: \* Follow local regulations regarding the disposal of firearm accessories. \* If the product is damaged or no longer usable, consider recycling the aluminum material where possible. \* Ensure that the product is disposed of in a manner that prevents it from being used improperly.

## **Contact Information for Further Support**

For any questions regarding the ZEROED Ambidextrous Charging Handle, please refer to the manufacturer's contact information provided at the time of purchase. Always ensure that you are seeking assistance from authorized representatives to maintain safety and compliance.

By following these guidelines, you can ensure a safe and effective experience with your ZEROED Ambidextrous Charging Handle. Thank you for prioritizing safety and responsible firearm handling.
