ZEROED Ambidextrous Charging Handle Safety Instruction Guide

Introduction

Thank you for choosing the CMMG ZEROED Ambidextrous Charging Handle. This product is designed to enhance your shooting experience by providing a reliable and userfriendly mechanism for charging your AR15 platform firearm. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the charging handle is properly installed before use.
- Do not modify the charging handle or any part of the firearm.
- Always wear appropriate eye and ear protection when operating firearms.
- Keep the charging handle and firearm clean and wellmaintained.
- Store the firearm and charging handle in a secure location, out of reach of children and unauthorized users.
- Report any unsafe conditions or product defects to the relevant authorities.

Specific Safety Precautions for Use

- Before using the ZEROED Ambidextrous Charging Handle, ensure that the firearm is unloaded.
- Be cautious when charging the firearm; use a firm grip on the charging handle to avoid slipping.
- If using gloves, ensure that they provide adequate grip and control.
- Avoid placing your face or body in line with the charging handle during operation.
- Do not attempt to charge the firearm while it is loaded or in a potentially unsafe environment.
- If you experience any difficulty with the charging handle, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Instructions

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing charging handle from the firearm by following the manufacturer's instructions.
3. Align the CMMG ZEROED Ambidextrous Charging Handle with the receiver of the firearm.
4. Insert the charging handle into the receiver, ensuring it is seated properly.
5. Confirm that the charging handle operates smoothly before proceeding to use the firearm.

Usage Instructions

- To charge the firearm, grasp the charging handle firmly with one or both hands.
- Pull the charging handle to the rear until it engages the bolt carrier group.
- Release the charging handle to allow it to return to its original position.
- Ensure that the firearm is ready to fire before taking any further actions.

Disposal Instructions

- When disposing of the ZEROED Ambidextrous Charging Handle, ensure that it is no longer usable.
- Follow local regulations for the disposal of metal and aluminum products.
- Do not dispose of the charging handle in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the CMMG ZEROED Ambidextrous Charging Handle, please refer to the appropriate contact point within your region. Always ensure that you have the latest information regarding product recalls and safety notices available through the EU Safety Gate platform.

By following these guidelines and instructions, you can ensure that your experience with the CMMG ZEROED Ambidextrous Charging Handle is safe and enjoyable. Thank you for your attention to safety.
