LOUD AND FLASHY MUZZLE BRAKE 14MM Safety Instruction Guide

Introduction

Thank you for choosing the LOUD AND FLASHY MUZZLE BRAKE 14MM by JMAC CUSTOMS. This product is designed to enhance sound and flash while reducing recoil and muzzle rise. It is important to follow safety guidelines to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use this product in accordance with local laws and regulations.
- Ensure you are familiar with the operation of your firearm before using the muzzle brake.
- Regularly inspect the muzzle brake for any signs of wear or damage.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to local authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- The barrel length restriction for the usage of this device is 7.65 inches.
- Always wear appropriate eye and ear protection when using firearms equipped with this muzzle brake.
- Ensure the muzzle brake is securely attached to the firearm before use.
- Do not exceed the recommended caliber specifications for the muzzle brake.
- Avoid using the muzzle brake with ammunition that exceeds the manufacturer's specifications.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Make sure the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Muzzle Device:** If applicable, remove any existing muzzle device from the firearm.
3. **Clean Threads:** Clean the threads on the muzzle to remove any debris or fouling.
4. **Attach Muzzle Brake:**
 - Align the muzzle brake with the threads on the firearm.
 - Screw the muzzle brake onto the barrel using a clockwise motion until it is snug.
 - Do not overtighten, as this may damage the threads.
5. **Check Alignment:** Ensure the muzzle brake is properly aligned and securely attached.

Usage

- Before firing, doublecheck that the muzzle brake is secure.
- Fire the firearm in a safe and controlled environment.
- Monitor the performance of the muzzle brake during use; if any issues arise, cease use immediately.

Disposal Instructions

- Dispose of the muzzle brake in accordance with local waste management regulations.
- Do not dispose of the muzzle brake in regular household waste.
- If the product is damaged or no longer usable, contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the LOUD AND FLASHY MUZZLE BRAKE 14MM, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for prioritizing safety and compliance while enjoying your product.
