Safety Instructions for ALPHAWOLF 357 SIG BARRELS FOR GLOCK® 23/32

Introduction

Thank you for choosing the ALPHAWOLF 357 SIG Barrel for your Glock® 23/32. This product is designed to enhance your firearm's performance while ensuring safety and reliability. Please read this safety instruction guide carefully before use to ensure safe handling and operation of the product.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store your firearm and ammunition in a secure location, out of reach of unauthorized users, especially children.
- Use only the recommended ammunition type (lead, plated, or jacketed) for this barrel.
- Regularly inspect the barrel and firearm for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or removing the barrel.
- Wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that the shooting area is safe and free from obstructions.
- Do not modify the barrel or firearm in any way that could compromise safety.
- If you experience any malfunctions or irregularities while using the barrel, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Confirm that the firearm is unloaded and pointed in a safe direction.
2. **Remove the Slide:** Follow the manufacturer's instructions to disassemble the Glock® and remove the slide.
3. **Remove the Old Barrel:** Take out the existing barrel from the slide.
4. **Install the ALPHAWOLF Barrel:** Insert the ALPHAWOLF barrel into the slide. The fit should be snug, and the barrel should drop in without excessive force.
5. **Reassemble the Slide:** Follow the manufacturer's instructions to reassemble the slide onto the frame of the Glock®.
6. **Function Check:** Perform a function check to ensure everything is operating correctly.

Usage

- Always follow safe handling practices when using the firearm.
- Use only the specified ammunition type (357 SIG) for optimal performance.
- Regularly clean and maintain the barrel to ensure longevity and performance.

Disposal Instructions

- Dispose of the barrel and any related materials in accordance with local regulations.
- Do not dispose of the barrel in regular household waste. Check for local recycling programs or hazardous

waste disposal services.

Contact Information for Further Support

For further assistance, please refer to the manufacturer's website or contact their customer service for inquiries related to safety, installation, or maintenance. Always ensure that you are using genuine parts and accessories for your firearm.

Important Note: This safety instruction guide is designed to comply with the EU General Product Safety Regulation (GPSR). It is essential to follow all instructions and guidelines to ensure the safe use of the ALPHAWOLF 357 SIG Barrel.
