# **Safety Instruction Guide for GUIDE ROD ASSEMBLY FOR GLOCK® LONE WOLF DIST. M17, M34 & M17L LONE WOLF GENERATION 4 STAINLESS STEEL GUI**

## **Introduction**

Thank you for choosing the GUIDE ROD ASSEMBLY FOR GLOCK® LONE WOLF DIST. M17, M34 & M17L LONE WOLF GENERATION 4 STAINLESS STEEL GUI. This guide is designed to ensure your safety and the effective use of the product. Please read this document carefully before use to understand the safety precautions and proper installation procedures.

## **General Safety Guidelines**

- Ensure that the product is used only as intended and in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage before each use.
- If you encounter any issues with the product, cease use immediately and seek assistance.
- Always follow local laws and regulations regarding firearms and accessories.

## **Specific Safety Precautions for Use**

- Use only the recommended springs and components with this guide rod assembly.
- Do not modify or attempt to repair the guide rod assembly yourself.
- Always ensure that the firearm is unloaded before installing or removing the guide rod assembly.
- Wear appropriate safety gear, such as eye protection, when handling firearms.
- Be aware of your surroundings and ensure that you are in a safe environment when using the product.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Ensure the firearm is unloaded.
- Gather all necessary tools, including an Allen wrench for the removable tip.

### **2. Installation of the Guide Rod Assembly**

- Remove the existing guide rod from the firearm.
- Insert the new guide rod assembly into the recoil spring housing.
- Ensure that the guide rod is properly seated and aligned.
- Attach the removable Allen head tip securely.

### **3. Spring Replacement**

- To change the spring, unscrew the Allen head tip using the appropriate wrench.
- Remove the old spring and replace it with a new one calibrated to factory weights.
- Reattach the Allen head tip and ensure it is tightened securely.

### **4. Usage**

- After installation, perform a function check to ensure that the guide rod assembly operates

- correctly.
- Always handle the firearm with care, following all safety protocols.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for metal recycling.
- Ensure that all components are disposed of safely to prevent injury or environmental harm.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the GUIDE ROD ASSEMBLY FOR GLOCK® LONE WOLF DIST. M17, M34 & M17L LONE WOLF GENERATION 4 STAINLESS STEEL GUI, please refer to the manufacturer's website or customer support channels for assistance.

## **Conclusion**

Your safety is our priority. Following these guidelines will help ensure the safe and effective use of your guide rod assembly. Always stay informed about product recalls and safety updates through the EU's Safety Gate platform. Thank you for your attention to these important safety instructions.
