This guide provides essential safety instructions to ensure the safe use and installation of your product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Regularly inspect the stock for any signs of damage or wear.
- Store the stock in a safe and dry place when not in use.
- Keep the stock out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Ensure that the firearm is unloaded before installing or adjusting the stock.
- Use appropriate tools as specified in the installation instructions.

### • Usage Precautions:

- Always check that the stock is securely attached to the firearm before use.
- Be aware of your surroundings and ensure a safe shooting environment.
- If using the adjustable features, ensure they are locked in place before shooting.

### • Age Restrictions:

- This product is not intended for use by children. Only adults should handle the installation and usage of the stock.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing stock from the firearm according to the manufacturer's instructions.
- Align the Magpul Hunter American Stock with the firearm's receiver.
- Insert the provided screws and tighten them securely using the appropriate tool.
- Check that the stock is firmly attached and does not wobble.

### 2. Adjusting Length of Pull:

- Loosen the adjustment screws located at the rear of the stock.
- Slide the stock to the desired length of pull.
- Tighten the screws securely to lock the adjustment in place.

### **3. Cheek Riser Installation:**

- If desired, install the optional cheek riser kit.
- Align the riser with the designated slots on the stock.
- Secure the riser using the provided screws.

### **4. MLOK Accessory Installation:**

- Select the desired MLOK accessory.
- Align the accessory with the MLOK slots on the stock.
- Use the provided hardware to secure the accessory in place.

### **5. Final Inspection:**

- After installation, ensure that all components are secure.
- Test the stock's functionality by adjusting the length of pull and checking the cheek riser.

## **Disposal Instructions**

- Dispose of the stock in accordance with local regulations.
- Do not dispose of the stock in regular household waste.
- Consider recycling the stock if possible, or contact your local waste management facility for proper disposal options.
