

**SUPER DUTY RIFLE 14.5 5.56MM - SUPER DUTY 5.56MM 14.5" BBL
PINNED DDC**

The Super Duty Rifle features the latest in weapon technology available exclusively from Geissele Automatics. This 14.5" rifle chambered in 5.56mm features a Nanoweapon coated Surefire Closed-Tine Warcomp Pinned and Welded to an in-house 14.5" Black Oxide Cold Hammer Forge, Chrome Lined, 1-7 twist Geissele barrel. Our barrels are precision machined and cold hammer forged utilizing the highest quality materials at our state of the art facility in North Wales, PA. The Super Mid-length gas system and Geissele Super Compact Gas Block (with bomb-proof installation) ensures reliability and optimal performance in extreme conditions and heavy use. Exclusive to the Super Duty 14.5" Rifle is the brand new SSA-E X with Lighting Bow trigger. This nanocoated, two-stage trigger features a wide body and bow shape that finds the perfect balance between a classic M4 trigger and a flat body trigger. At the heart of this rifle is the Geissele REBCG (Reliability Enhanced Bolt Carrier Group). This Nanoweapon coated BCG is machined from mil-spec 8620 steel, with a properly torqued and staked, chrome lined gas key. The Cam Pin is machined from advanced, medical steel known as H13 which is also coated with Nanoweapon for maximum corrosion and wear resistance. The REBCG also features extended upper rails, providing greater stability and dramatically increasing feeding reliability. The REBCG comes with the Geissele Stressproof Bolt. Made from Carpenter 158+, directly developed with Carpenter Steel metallurgists to create a material that is cleaner and has less impurities. This makes our Stressproof bolt stronger and more fatigue resistant. The Geissele Stressproof bolt is also forged, not machined from barstock. This allows us to optimize the grain structure of the steel to yield a bolt capable of 5 times the life of a mil-spec bolt. Each bolt is rigorously inspected, high pressure tested, mag particle inspected and Nanoweapon coated. The Super Duty lower is precision machined from 7075-T6 aluminum and features Geissele's Ultra Duty Lower Parts Kit featuring our Ambidextrous Super Configurable safety and Ultra Precision trigger guard. A high quality mil-spec Geissele Buffer Tube with a Super-42 in H2 buffer ensures this rifle is properly tuned out of the box. Rounding up the package is a 13.5" MK16 Super Modular Rail, that mates to the Super Duty Upper Receiver via a center aligning tab that removes any chance of rail rotation. The MK16 family of rails are fielded by USASOC and renowned by operators for their performance and comfort. An Airborne Charging Handle, ensure smooth and reliable operation. A Geissele Rifle Grip and a B5 Systems Enhanced Sopmod Stock finalizes this high-end rifle that offers the user unmatched accuracy and performance. What is Geissele Nanoweapon? Geissele Nanoweapon (also known as Picatinny DSL) is a family of Durable Solid Lubricant coatings which was developed by ARDEC. It is available exclusively from Geissele Automatics. We continued the development of Picatinny DSL so that its level of corrosion, wear and abrasion resistance is currently unmatched among firearm coatings. Nanoweapon is applied at low temperatures so that the underlying metallurgy of the part is non effected by the application process. Our coating also has a surface hardness roughly equivalent to synthetic diamond. This makes Geissele Nanoweapon harder than sand, easily rejecting carbon and making cleaning a breeze, on top of allowing the firearm to operate normally with less lubrication. What is Luna Black? Luna Black is a glossy, deep black color that is available as an option for Super Duty Rifles and Super Duty Uppers. Being Type 3 Hardcoat Anodize Luna Black is durable and long lasting. This premium finish ensures your high-end build stands among others. THIS RIFLE DOES NOT SHIP WITH A MAGAZINE LENGTH: 14.5" CALIBER: 5.56MM LOWER RECEIVER: Super Duty Lower Mil-Spec UPPER RECEIVER: Super Duty M4 Upper BCG: REBCG (Reliability Enhanced Bolt Carrier Group) BOLT: Geissele Stressproof Bolt RAIL 13.5" SMR MK16 w/ Geissele Center Tab TRIGGER: SSA-E X w/ Lighting Bow BARREL: 14.5" Barrel, CHF, Chrome Lined, 1-7 Twist (Pin & Weld) GAS SYSTEM: Mid-Length GAS BLOCK: Super Compact Gas Block CHARGING HANDLE: Airborne Charging Handle MUZZLE: Nanocoated Surefire Closed-Tine Warcomp BUFFER: Mil-Spec 6 Position, 7075-T6 BUFFER ASSEMBLY: Super-42 w/ H2 Buffer STOCK: B5 Systems Enhanced Sopmod Stock GRIP: Geissele Rifle Grip LOWER PARTS KIT: Ultra Duty Lower Parts Kit

Geissele firearms feature a Type 3 hardcoat anodized finish. This includes the color variants, such as DDC, ODG and 40mm Green. Due to the nature of hard anodizing, the color variants will illustrate different shades. The color will also highlight imperfections in aluminum, where black anodizing hides it. If purchasing a color variant, please expect some variation in the finish from part to part and the potential for minor cosmetic imperfections in the aluminum.

Attributes

- Name: SUPER DUTY 5.56MM 14.5" BBL PINNED DDC

Sicherheitshinweise für das SUPER DUTY RIFLE 14.5 5.56MM

Einleitung

Herzlichen Glückwunsch zu Ihrem Kauf des SUPER DUTY RIFLE 14.5 5.56MM von Geissele Automatics. Dieses Gewehr ist mit modernster Waffentechnologie ausgestattet und wurde für höchste Präzision und Zuverlässigkeit entwickelt. Um sicherzustellen, dass Sie und andere sicher mit diesem Produkt umgehen, beachten Sie bitte die folgenden Sicherheitshinweise und Anweisungen.

Allgemeine Sicherheitsrichtlinien

- Verwenden Sie das Gewehr nur in Übereinstimmung mit den geltenden Gesetzen und Vorschriften Ihres Landes oder Ihrer Region.
- Bewahren Sie das Gewehr immer in einem sicheren und gesperreten Bereich auf, der für Kinder unzugänglich ist.
- Überprüfen Sie das Gewehr vor jedem Einsatz auf Beschädigungen oder Verschleiß.
- Verwenden Sie nur zugelassene Munition, die für das Kaliber 5.56mm geeignet ist.
- Halten Sie den Abzug nicht gedrückt, wenn Sie nicht bereit sind zu schießen.
- Achten Sie darauf, dass sich keine Personen oder Tiere im Schussfeld befinden.
- Tragen Sie immer geeignete Schutzausrüstung, einschließlich Augen und Gehörschutz.
- Informieren Sie sich über die sichere Handhabung von Feuerwaffen und nehmen Sie an einem Waffensicherheitstraining teil.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Stellen Sie sicher, dass das Gewehr vor dem Laden immer entladen ist.
- Laden Sie das Gewehr nur in einem sicheren Bereich, fern von Menschen und Tieren.
- Überprüfen Sie nach dem Laden, ob sich die Sicherung in der „Sicher“-Position befindet, bis Sie bereit sind zu schießen.
- Verwenden Sie das Gewehr nicht unter dem Einfluss von Alkohol oder Drogen.
- Achten Sie auf die richtige Handhabung und Lagerung von Munition.

Anweisungen für Installation und Nutzung

Installation

- Entfernen Sie das Gewehr vorsichtig aus der Verpackung.
- Überprüfen Sie, ob alle Teile vorhanden sind, einschließlich des Gewehrs, des Abzugs und der Montageschrauben.
- Befolgen Sie die Anweisungen zur Montage der 13,5" MK16 Super Modular Rail und stellen Sie sicher, dass sie sicher am Gewehr befestigt ist.
- Installieren Sie den Geissele Stressproof Bolt gemäß den Herstelleranweisungen.

Nutzung

- Halten Sie das Gewehr immer mit dem Lauf in eine sichere Richtung.
- Um das Gewehr zu laden, ziehen Sie den Ladehebel zurück und setzen Sie ein Magazin ein.
- Um das Gewehr zu entladen, entfernen Sie das Magazin und ziehen Sie den Ladehebel zurück, um sicherzustellen, dass keine Patrone im Lauf verbleibt.
- Nach der Benutzung reinigen Sie das Gewehr gründlich, um die Lebensdauer zu verlängern.

Entsorgungsanweisungen

- Entsorgen Sie leere Munition und andere Abfälle gemäß den örtlichen Vorschriften für gefährliche Abfälle.
- Entsorgen Sie das Gewehr nicht als normalen Müll. Informieren Sie sich über die örtlichen Vorschriften zur Entsorgung von Feuerwaffen.
- Wenn Sie das Gewehr nicht mehr benötigen, wenden Sie sich an eine autorisierte Stelle oder einen Fachhändler, um eine sichere Entsorgung zu gewährleisten.

Kontaktinformationen für weitere Unterstützung

Für Fragen zur Sicherheit oder zur Nutzung Ihres Gewehrs wenden Sie sich bitte an den Kundenservice von Geissele Automatics oder an autorisierte Fachhändler. Es ist wichtig, dass Sie bei Unsicherheiten oder Problemen nicht zögern, Hilfe zu suchen.

Schlussfolgerung

Die Sicherheit hat oberste Priorität. Indem Sie diese Richtlinien befolgen, tragen Sie dazu bei, dass das SUPER DUTY RIFLE 14.5 5.56MM sicher und effektiv genutzt wird. Vielen Dank, dass Sie sich für Geissele Automatics entschieden haben.

Safety Instruction Guide for SUPER DUTY RIFLE 14.5 5.56MM

Introduction

Thank you for choosing the SUPER DUTY RIFLE 14.5 5.56MM. This guide provides essential safety instructions and precautions to ensure safe and effective use of your firearm. Please read this guide carefully before handling or operating the rifle.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Only load the firearm when you are ready to shoot.
- Keep your finger off the trigger until you are ready to fire.
- Be aware of your target and what is beyond it.
- Store firearms securely and out of reach of children and unauthorized users.
- Use appropriate eye and ear protection when operating the rifle.
- Regularly inspect your firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure the rifle is unloaded before cleaning or maintenance.
- Use only the manufacturer recommended ammunition for optimal performance and safety.
- Avoid using the rifle in adverse weather conditions that may affect its operation.
- Do not modify the firearm or use aftermarket parts that are not approved by the manufacturer.
- Be cautious of potential recoil when firing the rifle.
- Always be aware of your surroundings and the presence of others when using the firearm.

Instructions for Installation and Usage

Installation of Accessories

- Follow the manufacturer's instructions for installing any accessories or attachments.
- Ensure all components are securely fastened before using the rifle.
- Check for proper alignment and functionality after installation.

Usage Instructions

1. Loading the Rifle:

- Ensure the rifle is pointed in a safe direction.
- Open the action and visually inspect the chamber to confirm it is clear.
- Insert the magazine into the magazine well until it clicks into place.
- Pull the charging handle to chamber a round.

2. Firing the Rifle:

- Aim at your target while keeping your finger off the trigger.
- Take a stable shooting position.
- When ready, place your finger on the trigger and squeeze gently to fire.
- After firing, maintain your aim and observe for any changes in the target.

3. Unloading the Rifle:

- Point the rifle in a safe direction.
- Remove the magazine from the rifle.
- Pull the charging handle back to eject any chambered round.
- Visually inspect the chamber to ensure it is clear.

4. Cleaning and Maintenance:

- Clean the rifle regularly to ensure optimal performance.
- Use manufacturerrecommended cleaning products and tools.
- Follow the cleaning instructions provided in the user manual.

Disposal Instructions

- Dispose of all firearmrelated materials, including ammunition, in accordance with local laws and regulations.
- Do not dispose of firearms in regular household waste.
- Contact local authorities or waste management facilities for proper disposal methods.

Contact Information for Further Support

For safety inquiries or assistance, please refer to the manufacturer's website or customer service resources.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your SUPER DUTY RIFLE 14.5 5.56MM. Always prioritize safety and responsibility when handling firearms.

Guida alle Istruzioni di Sicurezza per il Fucile Super Duty 14.5 5.56MM

Introduzione

Benvenuti nella guida alle istruzioni di sicurezza per il fucile Super Duty 14.5 5.56MM di Geissele Automatics. Questa guida è stata redatta per garantire un uso sicuro e responsabile del prodotto, in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti dell'UE (GPSR). È importante leggere attentamente queste istruzioni prima di utilizzare il fucile.

Linee Guida Generali di Sicurezza

- Assicurati che il fucile sia sempre trattato come se fosse carico.
- Non puntare mai il fucile verso qualcosa che non si intende colpire.
- Mantieni sempre il dito al di fuori del grilletto fino a quando non sei pronto a sparare.
- Usa sempre occhiali e protezioni per le orecchie appropriate durante l'uso.
- Conserva il fucile in un luogo sicuro, lontano da bambini e persone non autorizzate.
- Segui sempre le leggi locali e nazionali riguardanti la proprietà e l'uso delle armi da fuoco.

Precauzioni di Sicurezza Specifiche per l'Uso

- Verifica sempre che il fucile sia scarico prima di manipolarlo.
- Non utilizzare munizioni danneggiate o non conformi.
- Non modificare il fucile in modo non autorizzato.
- Controlla regolarmente il fucile per eventuali segni di usura o danni.
- In caso di inceppamento, seguire le procedure appropriate per la risoluzione dei problemi senza forzare il meccanismo.

Istruzioni per l'Installazione e l'Uso

Installazione

- Assicurati di avere un ambiente di lavoro pulito e privo di distrazioni.
- Segui le istruzioni del produttore per l'assemblaggio e l'installazione di accessori.
- Utilizza solo parti e accessori approvati da Geissele Automatics per garantire la compatibilità e la sicurezza.

Uso

- Prima di utilizzare il fucile, familiarizzati con tutte le sue funzioni e caratteristiche.
- Effettua un controllo di sicurezza prima di ogni utilizzo.
- Inizia a sparare in un'area designata e sicura, lontano da persone e proprietà.
- Mantieni sempre il controllo del fucile e non lasciare mai incustodito.

Istruzioni per lo Smaltimento

- Segui le leggi locali per lo smaltimento delle armi da fuoco e delle munizioni.
- Non smaltire mai un fucile in modo irresponsabile o in un luogo non autorizzato.
- Considera la possibilità di contattare un professionista per la dismissione sicura dell'arma.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza e sull'uso del fucile Super Duty, contatta il tuo rivenditore autorizzato Geissele Automatics o visita il sito web ufficiale di Geissele.

Si prega di notare che il fucile Super Duty 14.5 5.56MM non viene fornito con un caricatore. Assicurati di acquistare un caricatore compatibile separatamente.

Bezpečnostní pokyny pro uživatele pušky SUPER DUTY RIFLE 14.5 5.56MM

Úvod

Děkujeme, že jste si zakoupili pušku SUPER DUTY RIFLE 14.5 5.56MM od společnosti Geissele Automatics. Tento dokument obsahuje důležité bezpečnostní pokyny, které vám pomohou bezpečně používat a udržovat vaši novou zbraň. Před prvním použitím si prosím důkladně přečtěte všechny pokyny.

Obecné bezpečnostní pokyny

- Vždy zacházejte se zbraní jako s nabitou, i když si myslíte, že je prázdná.
- Udržujte zbraň mimo dosah dětí a nezletilých osob.
- Používejte ochranné brýle a sluchátka při střelbě.
- Zkontrolujte, zda je zbraň správně sestavena a funkční před každým použitím.
- Nikdy nesměřujte hlaveň zbraně na nic, co nechcete zasáhnout.
- Před použitím zkontrolujte, zda není zbraň poškozená nebo opotřebovaná.
- Při manipulaci s municí dodržujte všechny bezpečnostní pokyny výrobce.

Specifické bezpečnostní opatření při používání

- Používejte pouze doporučenou munici (5.56 mm NATO).
- Před každým použitím se ujistěte, že je zbraň čistá a dobře promazaná.
- Nikdy se nepokoušejte upravovat nebo měnit konstrukci zbraně bez odborné pomoci.
- Při používání zbraně v extrémních podmínkách (např. vysoké teploty, vlhkost) zkontrolujte její funkčnost častěji.
- Pokud zbraň vykazuje jakékoli známky poruchy, přestaňte ji používat a nechte ji zkontrolovat odborníkem.

Pokyny pro instalaci a používání

- Před prvním použitím si přečtěte návod k použití a seznámte se se všemi ovládacími prvky zbraně.
- Zkontrolujte, zda je zásobník správně vložen a zajištěn.
- Ujistěte se, že je zbraň v bezpečné poloze (např. na zajištěné) při manipulaci s ní.
- Při střelbě dodržujte bezpečnou vzdálenost od ostatních osob a objektů.
- Po použití zbraň důkladně vyčistěte a uložte na bezpečné místo.

Pokyny pro likvidaci

- Zbraň a její části likvidujte v souladu s místními předpisy o odpadech a nebezpečných materiálech.
- Zkontrolujte, zda jsou veškeré komponenty zbraně, jako jsou zásobníky a munice, správně zlikvidovány.
- Pokud plánujete zbraň prodat nebo darovat, ujistěte se, že je převedena na nového vlastníka v souladu s platnými zákony.

Kontaktní informace pro další podporu

Pokud máte jakékoli dotazy nebo potřebujete další podporu, obraťte se na svého prodejce nebo autorizovaného zástupce společnosti Geissele Automatics.
