

# STANDARD STOCK RECOIL SUPPRESSOR - MAGAZINE TUBE 5" RECOIL SUPPRESSOR

[Shooting Accessories](#) > [Recoil Parts](#) > [Recoil Reducers](#)

Helps counteract the painful effects of recoil using mercury, one of the heaviest, densest, liquid elements. Compact, permanently sealed, steel case is made from bar stock; the only moving part is the liquid mercury so there's no wear, no chance of leaks. Mercury's viscosity varies only 1% from 0 F. to 90 F. which means the recoil-fighting performance is consistent in almost all weather conditions. Stock models fit in the rifle or shotgun stocks and are drilled and tapped 1/4"-28 tpi for easy installation and removal. Mercury Recoil Sizes

## Attributes

- Name: [MAGAZINE TUBE 5" RECOIL SUPPRESSOR](#)
- Manufacturer: [C & H RESEARCH](#)
- Product no.: 163100001
- Mfr. No.: 300345MT
- Color: Silver
- Material: Stainless Steel
- Style: Recoil Suppressor
- Delivery weight: 0.34kg
- Shipping height: 38mm
- Shipping width: 41mm
- Shipping length: 157mm

# **Safety Instruction Guide for STANDARD STOCK RECOIL SUPPRESSOR MAGAZINE TUBE 5" RECOIL SUPPRESSOR**

## **Introduction**

Thank you for choosing the STANDARD STOCK RECOIL SUPPRESSOR MAGAZINE TUBE. This product is designed to help reduce the painful effects of recoil when using firearms. It utilizes mercury, a dense liquid element, to achieve effective recoil suppression. Please read this safety instruction guide carefully to ensure the safe and proper use of this product.

## **General Safety Guidelines**

- Ensure that this product is used only for its intended purpose.
- Always follow the manufacturer's instructions when using or installing the recoil suppressor.
- Check for any visible damage or defects before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Be aware of the potential hazards associated with mercury. Avoid direct contact and do not ingest.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Only use the recoil suppressor in compatible firearms as specified in the product specifications.
- Ensure that the firearm is unloaded before installing or removing the recoil suppressor.
- Do not attempt to open or modify the recoil suppressor, as it is permanently sealed.
- Handle the product with care to avoid dropping or damaging it.
- Be cautious of the temperature range; the performance of the mercury may be affected outside of the specified range (0 F to 90 F).
- If the product leaks or is damaged, discontinue use immediately and follow proper disposal instructions.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Locate the drilled and tapped area on the rifle or shotgun stock.
- Align the recoil suppressor with the 1/4"28 tpi threads.
- Screw the recoil suppressor into place until secure, but do not overtighten.

### **2. Usage:**

- Once installed, the recoil suppressor is ready for use.
- Test the firearm in a safe environment to ensure proper function with the recoil suppressor.
- Monitor performance during use to ensure that the recoil reduction is effective.

### **3. Removal:**

- Ensure the firearm is unloaded and pointed in a safe direction.
- Unscrew the recoil suppressor from the stock by turning it counterclockwise.
- Store the recoil suppressor in a safe place when not in use.

## **Disposal Instructions**

- Do not dispose of the recoil suppressor in regular household waste.
- If the product is damaged or no longer in use, contact your local waste management authority for proper disposal methods.
- Ensure that mercury is handled according to local regulations to prevent environmental contamination.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the STANDARD STOCK RECOIL SUPPRESSOR MAGAZINE TUBE, please refer to the manufacturer's contact information provided with your product.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our top priority.
