

1911 COMMANDER RECEIVER FRAME, STANDARD, SMOOTH, C/S - CASPIAN COMMANDER RECEIVER W/STD, CARBON, SMOOTH CHECKERING

[Handgun Parts](#) > [Frame Parts](#) > [Frames](#)

Build an outstanding, custom 1911 using one of these top-quality, single-stack receivers as the foundation. Models and features available for any custom project needs. Precision cast from carbon or stainless steel, and CNC machined to final dimensions. Heat treated to Rc 22-24 for optimum performance and durability. Oversize frame rails allow the gunsmith to achieve an exceptionally tight slide-to-frame fit for more consistent accuracy. Select models available with smooth front strap or with crisp CNC machine-cut checkering. Commander models are available with 25 lpi checkered front strap and available in a plain, unchecked configuration that accepts standard, unramped barrels.

Consumer Safety Instruction Guide for 1911 Commander Receiver Frame

Introduction

Thank you for choosing the 1911 Commander Receiver Frame. This guide provides important safety instructions to ensure the safe use, installation, and disposal of your product. Please read this document carefully before using the product, and keep it for future reference.

General Safety Guidelines

- Ensure that the product is used only by individuals who are knowledgeable about firearms and their handling.
- Always follow local laws and regulations regarding the purchase, ownership, and use of firearms.
- Store the receiver frame in a secure location, away from children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear that could affect its safety and performance.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear when handling firearms, including eye and ear protection.
- Ensure that the firearm is unloaded before performing any installation or maintenance on the receiver frame.
- Use only compatible parts and accessories when assembling or customizing your 1911 Commander.
- Do not attempt to modify the receiver frame beyond the manufacturer's specifications, as this could compromise safety.
- If you are inexperienced or unsure about handling or modifying firearms, seek assistance from a qualified gunsmith.
- Be aware of the potential hazards associated with handling firearms, including accidental discharge and improper handling.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the necessary tools and parts for installation.
- Read the manufacturer's instructions for any additional components you will be using.

2. Installation:

- Verify that the workspace is clean and free from distractions.
- Begin by securing the receiver frame in a stable position.
- Follow these steps to install the receiver frame:
 - Align the frame with the other components of the firearm.
 - Ensure that all parts fit securely and do not require excessive force.
 - Tighten any screws or fasteners according to the manufacturer's specifications.

3. Usage:

- Before using the firearm, conduct a thorough inspection to ensure all parts are properly installed and functioning.

- Familiarize yourself with the operation of the firearm, including loading, unloading, and safety mechanisms.
- Always handle the firearm with care, treating it as if it is loaded even when you believe it is not.

Disposal Instructions

- When disposing of the receiver frame or any parts, follow local regulations regarding hazardous materials and waste.
- If the receiver frame is damaged or no longer usable, consider contacting a local gunsmith or firearms dealer for proper disposal options.
- Never dispose of firearms or firearm components in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the 1911 Commander Receiver Frame, please consult with a qualified gunsmith or firearms professional.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on responsible handling and use of firearms.
