# Safety Instruction Guide for PROCHRONO LTD Competition Electronics ProChrono

## Introduction

Thank you for choosing the PROCHRONO LTD Competition Electronics ProChrono. This product is designed to provide accurate measurements for various shooting activities. Please read this safety instruction guide carefully to ensure safe and effective use of the device.

## General Safety Guidelines

- Always follow the manufacturer's instructions to ensure safe operation.
- Keep the device out of reach of children and vulnerable individuals.
- Inspect the device before each use to ensure it is in good working condition.
- If you notice any damage or malfunction, do not use the device and contact customer support.
- Use the device only for its intended purpose.

## Specific Safety Precautions for Use

- Ensure you are in a safe shooting environment, away from people and animals.
- Do not operate the device while handling firearms or projectiles.
- Always wear appropriate eye and ear protection when using firearms or projectiles.
- Be aware of your surroundings and ensure that the area is clear before taking measurements.
- Avoid using the device in extreme weather conditions, such as heavy rain or strong winds.

## Instructions for Installation and Usage

### 1. Power Supply:

- The ProChrono requires one 9volt alkaline battery for operation (battery not included).
- Ensure that the battery is installed correctly according to the polarity indicated in the battery compartment.

### 2. Setting Up the Device:

- Place the ProChrono on a stable, flat surface in a welllit area.
- For indoor use, consider using the optional Indoor Lighting System (part# CEI4100) for optimal performance.

### 3. Using the Device:

- Turn on the device by pressing the power button.
- Select the desired settings using the builtin operating system interface.
- Position the device at an appropriate distance from the shooting area to ensure accurate readings.
- Begin shooting and the device will automatically detect and record the shots.

### 4. Maintenance:

- Regularly check and replace the battery to ensure uninterrupted operation.
- Clean the device with a soft, dry cloth. Avoid using harsh chemicals or solvents.

## Disposal Instructions

- Dispose of the device and batteries in accordance with local regulations.
- Do not dispose of batteries in household waste. Instead, use designated battery recycling facilities.

## Contact Information for Further Support

For any inquiries or issues regarding the product, please reach out to the manufacturer's customer support. They will provide assistance and address any safety concerns you may have.

By following these safety guidelines and instructions, you will ensure a safe and enjoyable experience with your PROCHRONO LTD Competition Electronics ProChrono. Thank you for your attention to safety!
