[Gunsmith Tools](#) > [Barrel Tools](#) > [Barrel Blanks](#)

## Match-Grade Barrel Blanks From U.S.'s Oldest Barrel Maker

Famous, Douglas Double XX, premium-grade barrels are an excellent choice for any rebarrelling project. Proven accuracy and finest care in manufacture. Button rifled for unequalled smoothness with tolerances for groove diameter and straightness held to .0005". .264 through .338 barrels feature 6- grooves while the .358, .375 and .458 barrels have 8. No straightening is done and all barrels are stress relieved.

# **Safety Instruction Guide for UNTURNED BLANK DOUGLAS .257 110 TWIST CM UNTURNED BLANK ULTRA RIFLED BARREL**

## **Introduction**

Thank you for choosing the UNTURNED BLANK DOUGLAS .257 110 TWIST CM UNTURNED BLANK ULTRA RIFLED BARREL. This guide provides essential safety instructions and information to ensure the safe use and handling of this product. Please read this guide carefully before use and keep it for future reference.

## **General Safety Guidelines**

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE) when handling or working with the barrel.
- Store the barrel in a safe and secure location, away from children and unauthorized users.
- Inspect the barrel for any visible defects or damage before use.
- Follow all local laws and regulations regarding the use and handling of firearms and firearm components.
- Report any unsafe products or incidents to the appropriate authorities.

## **Specific Safety Precautions for Use**

### **• Hazard Identification:**

- The barrel is designed for use in firearms and should only be handled by individuals with proper training and knowledge.
- Improper handling or installation may result in serious injury or death.

### **• Avoiding Hazards:**

- Do not attempt to modify or alter the barrel in any way.
- Ensure that the barrel is properly installed according to the manufacturer's specifications.
- Never use the barrel with ammunition that exceeds the specified caliber.
- Always ensure that the firearm is unloaded before performing any maintenance or installation work.

## **Instructions for Installation and Usage**

### **• Installation:**

- Gather all necessary tools and equipment before beginning the installation.
- Follow the manufacturer's instructions for installation carefully.
- Ensure that all components are compatible with your firearm.
- Tighten all fittings securely, but do not overtighten as this may cause damage.

### **• Usage:**

- Before firing, ensure that the barrel is securely attached to the firearm.
- Check the firearm for any obstructions or damage before loading.
- Always point the firearm in a safe direction when loading or unloading.
- Follow proper shooting practices and guidelines to ensure safety during use.

## **Disposal Instructions**

- Dispose of any unused or damaged barrels in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.
- Contact local waste management authorities for information on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the UNTURNED BLANK DOUGLAS .257 110 TWIST CM UNTURNED BLANK ULTRA RIFLED BARREL, please refer to the manufacturer's contact details provided with the product packaging or documentation.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your new barrel. Thank you for your attention to these important safety guidelines.
