[Gunsmith Tools](#) > [Barrel Tools](#) > [Barrel Blanks](#)

Match-Grade Barrel Blanks From U.S.'s Oldest Barrel Maker

Famous, Douglas Double XX, premium-grade barrels are an excellent choice for any rebarrelling project. Proven accuracy and finest care in manufacture. Button rifled for unequalled smoothness with tolerances for groove diameter and straightness held to .0005". .264 through .338 barrels feature 6- grooves while the .358, .375 and .458 barrels have 8. No straightening is done and all barrels are stress relieved.

Safety Instruction Guide for UNTURNED BLANK DOUGLAS .270 110 TWIST CM UNTURNED BLANK ULTRA RIFLED BARREL

Introduction

Thank you for choosing the UNTURNED BLANK DOUGLAS .270 110 TWIST CM UNTURNED BLANK ULTRA RIFLED BARREL. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this guide carefully before using the barrel to minimize risks and ensure compliance with safety regulations.

General Safety Guidelines

- Ensure that the barrel is used only for its intended purpose as specified by the manufacturer.
- Always follow local laws and regulations regarding firearm components and usage.
- Keep the barrel out of reach of children and unauthorized users.
- Inspect the barrel regularly for any signs of damage or wear before use.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Use appropriate safety gear, including eye protection, when handling or installing the barrel.
- Handle the barrel with care to avoid dropping or damaging it.
- Ensure that the barrel is compatible with your firearm before installation.
- Do not attempt to modify the barrel in any way that is not recommended by the manufacturer.
- Avoid using the barrel if you notice any irregularities in its construction or finish.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting the installation.
- Ensure the workspace is clean and free from distractions.

2. Installation Steps:

- Verify that the firearm is unloaded and safe to work on.
- Remove the existing barrel if applicable, following the manufacturer's instructions.
- Align the UNTURNED BLANK DOUGLAS barrel with the receiver of your firearm.
- Secure the barrel in place according to the specifications provided by the firearm's manufacturer.
- Check that all components are tightened and secure before proceeding.

3. Usage:

- Always follow safe shooting practices when using the firearm equipped with the barrel.
- Regularly clean and maintain the barrel to ensure optimal performance and safety.
- Monitor the barrel for any signs of wear or damage during use, and discontinue use if any issues arise.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding metal and firearm components.
- Do not dispose of the barrel in regular household waste.
- Contact local recycling centers or hazardous waste facilities for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the UNTURNED BLANK DOUGLAS barrel, please seek assistance from your retailer or manufacturer. Ensure to have your product details handy for efficient support.

By adhering to these safety instructions, you can help ensure a safe and enjoyable experience with your UNTURNED BLANK DOUGLAS .270 barrel. Thank you for your attention to safety.
