

CONTOUR #1 - DOUGLAS 7MM 1-9 TWIST CM #1 CONTOUR ULTRA RIFLED BARREL

[Gunsmith Tools](#) > [Barrel Tools](#) > [Barrel Blanks](#)

Match-Grad Barrel Blanks From U.S.'s Oldest Barrel Maker

Famous, Douglas Double XX, premium-grade barrels are an excellent choice for any rebarrelling project. Proven accuracy and finest care in manufacture. Button rifled for unequalled smoothness with tolerances for groove diameter and straightness held to .0005". .22 through .338 barrels feature 6- grooves while the .358, .375 and .458 barrels have 8. No straightening is done and all barrels are stress relieved.

Safety Instruction Guide for CONTOUR #1 DOUGLAS 7MM 19 TWIST CM #1 CONTOUR ULTRA RIFLED BARREL

Introduction

Thank you for purchasing the CONTOUR #1 DOUGLAS 7MM 19 TWIST CM #1 CONTOUR ULTRA RIFLED BARREL. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only by individuals who are familiar with firearms and their handling.
- Always wear appropriate safety gear, including safety glasses and hearing protection, when using firearms.
- Store the barrel in a safe and secure location, away from children and unauthorized users.
- Regularly inspect the barrel for signs of wear or damage before use.
- Follow all local laws and regulations regarding the use and ownership of firearm components.

Specific Safety Precautions for Use

- Do not exceed the recommended caliber specifications for the barrel.
- Ensure the barrel is properly installed and secured before use.
- Avoid using the barrel with ammunition that is not compatible with its specifications.
- Do not attempt to modify or alter the barrel in any way.
- Always ensure that the firearm is pointed in a safe direction when loading, unloading, or handling.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the old barrel if applicable, following the manufacturer's instructions.
- Align the new CONTOUR barrel with the receiver and ensure it fits securely.
- Tighten the barrel nut or screws as per the manufacturer's specifications to avoid any movement during use.

2. Usage:

- Load the firearm with the appropriate ammunition as specified for the barrel.
- Before firing, ensure that the barrel is clean and free from obstructions.
- Fire in a controlled environment, ensuring that all safety measures are followed.

3. PostUse:

- After use, clean the barrel according to the manufacturer's cleaning instructions.
- Store the barrel in a safe location, ensuring it is not accessible to children or unauthorized users.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the barrel is damaged beyond repair, contact a local waste disposal service for proper disposal methods.
- Do not dispose of the barrel in regular household waste.

This guide is designed to help you use your product safely and responsibly. Please keep it for future reference.
