[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrel Blanks](#)

Match-Grade Barrel Blanks From U.S.'s Oldest Barrel Maker

Famous, Douglas Double XX, premium-grade barrels are an excellent choice for any rebarrelling project. Proven accuracy and finest care in manufacture. Button rifled for unequalled smoothness with tolerances for groove diameter and straightness held to .0005". .22 through .338 barrels feature 6- grooves while the .358, .375 and .458 barrels have 8. No straightening is done and all barrels are stress relieved.

Safety Instruction Guide for CONTOUR #5 DOUGLAS 8MM 110 TWIST CM #5 CONTOUR ULTRA RIFLED BARREL

Introduction

Thank you for choosing the CONTOUR #5 DOUGLAS 8MM 110 TWIST CM #5 CONTOUR ULTRA RIFLED BARREL. This guide provides essential safety instructions and guidelines to ensure safe handling, installation, and usage of your barrel. Please read this document carefully to understand the safety measures and precautions necessary for your product.

General Safety Guidelines

- Ensure safe use of the barrel by following all instructions.
- Be aware of potential risks associated with handling and using the barrel.
- Keep the barrel out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear when handling or operating firearms.
- Report any unsafe products or incidents to local authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Inspect the barrel for any visible damage before use.
- Do not use the barrel if it appears to be defective or damaged.
- Ensure that the barrel is compatible with your firearm before installation.
- Use only recommended ammunition with the barrel to avoid malfunctions.
- Follow all local laws and regulations regarding the use of firearms and barrel modifications.
- Always handle firearms with care, treating them as if they are loaded.
- Store the barrel in a secure location when not in use to prevent unauthorized access.

Instructions for Installation and Usage

- Before installation, ensure that you have the necessary tools and equipment.
- Follow these steps for proper installation:
 1. **Preparation:** Ensure the firearm is unloaded and in a safe position.
 2. **Remove Old Barrel:** If applicable, carefully remove the existing barrel from the firearm using appropriate tools.
 3. **Install New Barrel:** Align the CONTOUR #5 barrel with the firearm's receiver.
 4. **Secure the Barrel:** Use the appropriate screws or fasteners to secure the barrel in place, following the manufacturer's specifications.
 5. **Check Alignment:** Ensure the barrel is aligned correctly and securely attached to the firearm.
- After installation, perform a function check to ensure the firearm operates correctly.
- Always refer to the firearm's manual for specific instructions related to your model.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local regulations.
- If the barrel is no longer in use or is damaged beyond repair, consult local waste management services for proper disposal methods.
- Do not dispose of the barrel in regular household waste; it may contain materials that require special handling.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product issues, please consult your local dealer or manufacturer. Ensure that you have the product's identification information available for faster assistance.

This safety instruction guide is designed to provide you with clear and concise information to ensure the safe use of your CONTOUR #5 DOUGLAS 8MM 110 TWIST CM #5 CONTOUR ULTRA RIFLED BARREL. Please keep this document for future reference and adhere to all safety guidelines provided.
