[Gunsmith Tools](#) > [Barrel Tools](#) > [Barrel Blanks](#)

Match-Grade Barrel Blanks From U.S.'s Oldest Barrel Maker

Famous, Douglas Double XX, premium-grade barrels are an excellent choice for any rebarrelling project. Proven accuracy and finest care in manufacture. Button rifled for unequalled smoothness with tolerances for groove diameter and straightness held to .0005". .264 through .338 barrels feature 6- grooves while the .358, .375 and .458 barrels have 8. No straightening is done and all barrels are stress relieved.

Safety Instruction Guide for UNTURNED BLANK DOUGLAS .358 112 CM LONG BASIC UNTURNED BLANK ULTRA RIFLED BARREL

Introduction

Thank you for choosing the UNTURNED BLANK DOUGLAS .358 112 CM LONG BASIC UNTURNED BLANK ULTRA RIFLED BARREL. This guide provides important safety information and instructions to ensure the safe use and handling of this product. Please read this guide carefully before using the barrel.

General Safety Guidelines

- Ensure safe use of the barrel by following all instructions provided in this guide.
- Be aware of potential hazards associated with the use of firearms and firearm components.
- Always treat the barrel as if it is loaded, even if it is not.
- Store the barrel in a safe location, out of reach of children and unauthorized users.
- Regularly check for any damage or wear on the barrel before use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the barrel with firearms that are compatible with the .358 caliber specifications.
- Ensure that the barrel is installed correctly to prevent accidents during use.
- Always wear appropriate safety gear, including eye protection and hearing protection, when using firearms.
- Do not attempt to modify or alter the barrel in any way.
- Avoid exposing the barrel to extreme temperatures or harsh chemicals.
- If you notice any signs of damage or irregularities in the barrel, do not use it and contact a qualified gunsmith for inspection.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from the firearm according to the manufacturer's instructions.
- Clean the barrel threads and the receiver of the firearm to ensure proper fit.
- Carefully install the UNTURNED BLANK DOUGLAS .358 barrel by following the manufacturer's guidelines.
- Ensure that the barrel is securely tightened and aligned properly.

2. Usage:

- Always check that the barrel is properly installed before using the firearm.
- Load ammunition that is appropriate for the .358 caliber.
- Follow all standard firearm safety practices during shooting.
- After use, clean the barrel according to the manufacturer's cleaning instructions to maintain its performance.

Disposal Instructions

- Dispose of any unused or damaged barrels in accordance with local regulations.
- Never dispose of barrels in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the UNTURNED BLANK DOUGLAS .358 barrel, please consult the manufacturer or a qualified gunsmith for assistance. Always ensure that you have the latest information regarding product safety and usage.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your UNTURNED BLANK DOUGLAS .358 barrel. Always prioritize safety when handling firearms and their components.
