# **Safety Instruction Guide for CONTOUR #7 DOUGLAS .224 18 SS #7 CONTOUR ULTRA RIFLED BARREL**

## **Introduction**

Thank you for choosing the CONTOUR #7 DOUGLAS .224 18 SS #7 CONTOUR ULTRA RIFLED BARREL. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product. Please read this document carefully before installation and usage.

## **General Safety Guidelines**

- Ensure that you are familiar with local laws and regulations regarding the use of firearms and firearm components.
- Always handle firearms and firearm components with care, treating them as if they are loaded.
- Store the barrel in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear before use.
- If you experience any issues or concerns while using the barrel, discontinue use immediately and seek professional assistance.

## **Specific Safety Precautions for Use**

- Use only compatible firearm components and ammunition specified for the .22 caliber (.223.224).
- Do not exceed the specifications for twist rate and contour as indicated in the product description.
- Avoid using the barrel in conditions that may lead to overheating or excessive pressure.
- Ensure proper cleaning and maintenance of the barrel to prevent malfunctions.
- Always wear appropriate safety gear, including eye protection, when using firearms.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure that the firearm is unloaded and the chamber is clear before beginning installation.
- Follow the manufacturer's instructions for installing the barrel onto the firearm.
- Use appropriate tools and techniques to secure the barrel without overtightening.
- Inspect the installation to ensure that there are no gaps or misalignments.

### **2. Usage:**

- Confirm that the barrel is correctly installed and secure before firing.
- Use only the recommended ammunition for the barrel specifications.
- Maintain a safe distance from others when firing the firearm equipped with the barrel.
- Follow all standard firearm safety practices during use.

## **Disposal Instructions**

- Dispose of the barrel in accordance with local regulations regarding firearm components.
- If the barrel is damaged or no longer usable, consult with a licensed firearms dealer for proper disposal methods.
- Do not discard the barrel in regular waste; ensure it is disposed of in a manner that prevents unauthorized access.

## **Contact Information for Further Support**

For any inquiries or concerns regarding safety, please refer to the appropriate local authorities or consult with a licensed firearms dealer. It is important to ensure that any questions or issues are addressed by qualified professionals.

### **Important Note**

This safety instruction guide is designed to comply with the EU General Product Safety Regulation (GPSR). It is essential to report any unsafe products or accidents to the relevant authorities and to check for recall updates on the EU's Safety Gate platform. Your safety and the safety of others depend on responsible usage and adherence to these guidelines.
