

# NO. 2 DUAL REPLACEMENT CUTTER - No.2 Dual Cutter,26 LPI

## All Dem-Bart Cutters Fit All Dem-Bart Handles

Slanted cutter teeth make deep, even grooves and sharp- pointed diamonds. Professionals appreciate these tools for their consistent performance. Beginners find that checkering is not as difficult as they imagined. No. 2 DUAL CUTTER - Used for marking rows and for deepening rows after marking. One blade follows a guideline while the other blade marks the next row. This is a combination spacer and deepening tool.

# Safety Instruction Guide for NO. 2 DUAL REPLACEMENT CUTTER

## Introduction

Thank you for choosing the NO. 2 DUAL REPLACEMENT CUTTER. This tool is designed for professionals and beginners alike, enabling you to create deep, even grooves and sharp-pointed diamonds with ease. To ensure your safety and the effective use of this product, please read the following safety instructions carefully.

## General Safety Guidelines

- Ensure safe use of the NO. 2 DUAL REPLACEMENT CUTTER by following all instructions.
- Be aware of potential hazards associated with using sharp tools.
- Always supervise children when using this product.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates regularly on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when using the cutter.
- Keep your hands and fingers away from the cutting blades to avoid injury.
- Use the cutter only for its intended purpose as described in this guide.
- Ensure the work surface is stable and secure to prevent accidents during use.
- Do not use the cutter if it is damaged or if the blades are dull. Replace blades as necessary.
- Store the cutter in a safe and dry place, out of reach of children.

## Instructions for Installation and Usage

### 1. Preparation:

- Inspect the cutter for any signs of damage before use.
- Ensure you have a clean and stable work surface.

### 2. Using the Cutter:

- Position the cutter at the starting point of your work.
- Align one blade with the guideline for marking.
- Apply even pressure as you push the cutter along the guideline, allowing the second blade to mark the next row.
- Repeat the process as necessary to achieve the desired depth and spacing.

### 3. Post-Use Care:

- Clean the cutter after each use to remove any debris or residue.
- Store the cutter safely to prevent accidental injury.

## Disposal Instructions

- Dispose of the NO. 2 DUAL REPLACEMENT CUTTER in accordance with local regulations.
- If the cutter is no longer usable, ensure that it is safely disposed of to prevent injury to others.

## **Contact Information for Further Support**

For any inquiries regarding the safety or use of the NO. 2 DUAL REPLACEMENT CUTTER, please refer to the manufacturer's contact information provided on the packaging or product documentation.

By following these safety instructions, you can ensure a safe and effective experience with your NO. 2 DUAL REPLACEMENT CUTTER. Thank you for your attention to safety!
