# Safety Instruction Guide for NO. 4 Right Hand Spacing Tool Replacement Cutters

## Introduction

Thank you for choosing the NO. 4 Right Hand Spacing Tool Replacement Cutters by DEMBART. This tool is designed for precision checkering, making it suitable for both professionals and beginners. To ensure safe and effective use of this product, please read and follow the guidelines outlined in this safety instruction guide.

## General Safety Guidelines

- Always use the tool in accordance with the manufacturer's instructions.
- Keep the tool out of reach of children and vulnerable individuals.
- Regularly inspect the tool for any signs of damage or wear before use.
- Do not use the tool for purposes other than its intended use.
- If you experience any discomfort or adverse reactions while using the tool, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Ensure that the workspace is clean and free of any obstructions that could cause accidents.
- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, to protect against debris and sharp edges.
- Use the tool on a stable surface to prevent slipping or loss of control during operation.
- When not in use, store the tool in a safe place, preferably in its original packaging, to prevent accidental injury.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure your workspace is welllit and organized.

### 2. Installation:

- Carefully remove the tool from its packaging.
- Inspect the tool for any visible defects or damages.
- If the tool requires assembly, follow the specific assembly instructions provided by the manufacturer.

### 3. Usage:

- Hold the tool firmly by the handle, ensuring a secure grip.
- Position the tool at the desired angle and depth for cutting.
- Apply even pressure while moving the tool to create consistent grooves and diamonds.
- Avoid forcing the tool; let the cutter teeth do the work.

### 4. PostUse Care:

- Clean the tool after each use to remove any debris.
- Store the tool in a dry place to prevent rust and deterioration.

## **Disposal Instructions**

- Dispose of the tool in accordance with local regulations regarding nonhazardous waste.
- If the tool is damaged beyond repair, consider recycling the materials where possible.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the NO. 4 Right Hand Spacing Tool Replacement Cutters, please refer to the manufacturer's contact information provided on the packaging or visit the official website.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience while using the NO. 4 Right Hand Spacing Tool Replacement Cutters. Always prioritize safety and adhere to the guidelines to protect yourself and others. Thank you for your attention to these important safety measures.
