# Safety Instruction Guide for Traditions 1851 Navy RediPack .44 Cal 7.5" Blued Octagon Bbl

## Introduction

Thank you for choosing the Traditions 1851 Navy RediPack .44 Cal 7.5" Blued Octagon Bbl. This guide provides essential safety information and instructions to ensure the safe use and handling of your revolver. Please read this document carefully before using the product.

## General Safety Guidelines

- Always treat the revolver as if it is loaded, even if you believe it is not.
- Keep the revolver pointed in a safe direction at all times.
- Do not place your finger on the trigger until you are ready to shoot.
- Store the revolver in a secure location, out of reach of children and unauthorized users.
- Use only the recommended ammunition as specified in the product specifications.
- Regularly inspect the revolver for any signs of wear or damage before use.
- If you experience any malfunctions, stop using the revolver immediately and consult a professional.

## Specific Safety Precautions for Use

- Ensure that you are in a safe and controlled environment before using the revolver.
- Wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that there are no bystanders in the vicinity.
- Do not shoot at hard surfaces or water to avoid ricochets.
- Never use the revolver while under the influence of alcohol or drugs.
- Ensure that you have a proper backstop when shooting to prevent stray bullets from causing injury or damage.

## Instructions for Installation and Usage

### Installation

1. **Unpack the Revolver:** Carefully remove the revolver from its packaging. Ensure all components are present and undamaged.
2. **Inspect the Revolver:** Check for any visible signs of damage or wear. Ensure the barrel is clear of obstructions.
3. **Load the Revolver:**
  - Open the cylinder by following the manufacturer's instructions.
  - Load the appropriate .44 caliber cartridges into the chambers of the cylinder.
  - Close the cylinder securely.

### Usage

1. **Aiming:**
  - Hold the revolver firmly with both hands.
  - Align your sights with your target.
  - Ensure your finger is outside the trigger guard until you are ready to fire.
2. **Firing:**
  - Once aimed, place your finger on the trigger.

- Squeeze the trigger gently to fire the revolver.
- After firing, maintain control of the revolver and be aware of the muzzle direction.

### **3. PostFiring:**

- After firing, keep the revolver pointed downrange.
- Open the cylinder to check for any remaining cartridges.
- Store the revolver safely when not in use.

## **Disposal Instructions**

- Dispose of any unused or expired ammunition in accordance with local regulations.
- When disposing of the revolver, ensure it is rendered inoperable by removing the firing pin or other critical components.
- Contact local authorities or licensed disposal facilities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries, product support, or to report unsafe products, please contact the appropriate authorities or your local Traditions representative.

Thank you for prioritizing safety and responsible use. Enjoy your shooting experience with the Traditions 1851 Navy RediPack .44 Cal 7.5" Blued Octagon Bbl.
