# Traditions 1858 Army RediPack .44 Cal 8" Blued Octagon Barrel Safety Instruction Guide

## Introduction

Thank you for purchasing the Traditions 1858 Army RediPack .44 Cal 8" Blued Octagon Barrel. This guide provides essential safety instructions to ensure the safe use and handling of your revolver. Please read this manual carefully before use to understand the safety precautions and proper handling techniques.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Use only the recommended ammunition for your revolver.
- Ensure that your firearm is in good working condition before use.
- Store your firearm in a secure location, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure a clear shooting area.
- Never use your firearm under the influence of drugs or alcohol.
- Always wear appropriate eye and ear protection when shooting.

## Specific Safety Precautions for Use

- **Cartridge:** Always use .44 caliber cartridges as specified. Using incorrect ammunition can cause malfunctions or damage.
- **Sights:** The revolver features fixed sights. Familiarize yourself with the sight alignment for accurate shooting.
- **Action Type:** This revolver is a singleaction (SA) firearm. Ensure you understand the operation of singleaction mechanisms before use.
- **Barrel Length:** The 8" barrel can affect the accuracy and velocity of the shot. Practice with your firearm to become accustomed to its handling.
- **Frame Material:** The brass frame is durable but can be sensitive to corrosion. Keep it clean and dry.
- **Grip Type:** The walnut grip provides a comfortable hold. Ensure your grip is secure before firing.
- **Slide Finish:** The blued finish is designed to protect against rust. Regular maintenance is necessary to preserve its condition.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the revolver is unloaded before any handling.
- If applicable, attach any accessories according to the manufacturer's instructions.

### 2. Loading the Revolver:

- Open the loading gate and insert the .44 caliber cartridges into the chambers.
- Ensure each cartridge is seated properly.

### 3. Firing the Revolver:

- Cock the hammer to the rear to prepare the firearm for firing.
- Align your sights with the target.
- Gently squeeze the trigger to fire.

#### **4. Unloading the Revolver:**

- After shooting, open the loading gate.
- Use the ejector rod to remove spent cartridges from the chambers.

#### **5. Cleaning and Maintenance:**

- Regularly clean your revolver after use to prevent residue buildup.
- Use a cleaning kit designed for firearms to ensure proper maintenance.

## **Disposal Instructions**

When disposing of your revolver or any related accessories, follow these guidelines:

- Do not dispose of firearms in regular trash.
- Contact local authorities or a licensed firearms dealer for proper disposal methods.
- Ensure that any unused ammunition is also disposed of according to local regulations.

## **Contact Information for Further Support**

For any questions or concerns regarding the use or safety of your Traditions 1858 Army RediPack .44 Cal 8" Blued Octagon Barrel, please consult the manufacturer's website or contact their customer service.
