

# MOE-K® GRIP FOR AR15/M4 - MAGPUL MOE-K GRIP POLYMER FOR AR-15/M4 OD GREEN

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

Designed as a drop-in upgrade for the standard AR15/M4 pistol grip, the MOE-K Grip provides an extremely low profile and compact design with a steeper grip angle compared to more traditional styles. The more vertical grip angle is optimized for use on PDW (Personal Defense Weapon) configurations and improves comfort and control on short LOP rifles that bring the primary hand in closer to the shooter's body. The thin profile and lack of backstrap 'beavertail' also makes it an excellent choice for shooters who prefer a smaller grip circumference. FEATURES All mounting hardware is included. One-piece reinforced polymer construction More vertical grip angle than standard A2 grips Minimalist design provides a compact and narrow profile Aggressive TSP texture for positive weapon control Made in the USA SPECS Platform: AR10, AR15, M4, M16, M110, SR25 Grip Angle: 20 degrees Height, receiver to bottom: 3.8 in. Thickness, max: 1.0 in. Weight, w/ hardware: 2.4 oz. NOTE: Will also fit most 7.62 NATO AR10/SR25 style of rifle

## Attributes

- Name: [MAGPUL MOE-K GRIP POLYMER FOR AR-15/M4 OD GREEN](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 250004791

# MOEK® Grip for AR15/M4 Safety Instruction Guide

## Introduction

Thank you for choosing the MOEK® Grip for your AR15/M4 firearm. This guide provides important safety information and instructions for the proper use and installation of the grip. Please read this guide carefully to ensure safe handling and operation.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the MOEK Grip by following all instructions in this guide. This product is designed for use with AR15/M4 firearms and is not intended for any other applications.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. If a recall occurs, you may be entitled to a free remedy.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored and used safely away from minors.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on unsafe products.

## Specific Safety Precautions for Use

- **Installation:** Ensure the firearm is unloaded before installing the grip.
- **Grip Angle:** Be aware that the MOEK Grip has a steeper grip angle. Practice with the grip to become familiar with its handling characteristics.
- **Control:** Maintain a firm grip on the firearm at all times to ensure control during use.
- **Compatibility:** This grip is designed for use with standard milspec AR15/M16 lower receivers and may also fit most ARstyle .308 rifles. Ensure compatibility before installation.
- **Inspection:** Regularly inspect the grip for any signs of wear or damage. Replace if necessary.

## Instructions for Installation and Usage

1. **Gather Tools:** You will need a screwdriver or appropriate tool to install the grip.
2. **Unload Firearm:** Ensure that the firearm is completely unloaded and pointed in a safe direction.
3. **Remove Old Grip:** If replacing an existing grip, remove it by unscrewing the mounting hardware.
4. **Align the Grip:** Position the MOEK Grip onto the lower receiver, ensuring that it fits securely.
5. **Secure the Grip:** Use the included mounting hardware to secure the grip in place. Tighten the screws to ensure stability, but do not overtighten.
6. **Check Installation:** Once installed, check that the grip is firmly attached and does not move.
7. **Test Grip:** Hold the firearm with the new grip and practice handling to become accustomed to its feel.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the MOEK Grip in accordance with local regulations. Do not dispose of it in regular household waste.
- **Recycling:** If possible, recycle the grip as it is made from reinforced molded polymer.

## **Contact Information for Further Support**

For any questions or concerns regarding the MOEK Grip, please refer to the contact information provided by your retailer or manufacturer. Ensure that you have the product information available for reference.

By following these safety guidelines and instructions, you can ensure the safe and effective use of the MOEK Grip for your AR15/M4 firearm. Thank you for prioritizing safety and responsible usage.
