# MTM Shell & Wad Hopper Set 500 Hulls or 500 Wads 2pack Safety Instructions

## Introduction

Thank you for choosing the MTM Shell & Wad Hopper Set 500 Hulls or 500 Wads 2pack. This product is designed to assist you in the safe handling and storage of shotgun shells and wads. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always use the product as intended and according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities immediately.
- Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Ensure that the hopper is empty before cleaning or performing maintenance.
- Do not overload the hopper beyond its intended capacity to prevent spills and accidents.
- Use the product in a wellventilated area to avoid inhalation of any dust or debris.
- Wear appropriate personal protective equipment (PPE), such as gloves and safety glasses, when handling wads and shells.
- Avoid contact with sharp edges or components when assembling or disassembling the hopper.

## Instructions for Installation and Usage

### 1. Unpacking the Product

- Carefully remove the MTM Shell & Wad Hopper Set from the packaging.
- Inspect all components for any damage or missing parts.

### 2. Assembly

- Follow the assembly instructions provided in the product manual.
- Ensure that all parts are securely attached before use.

### 3. Filling the Hopper

- Open the lid of the hopper and fill it with either shells or wads, ensuring not to exceed the maximum capacity.
- Close the lid securely after filling.

### 4. Using the Hopper

- Position the hopper on a stable surface to prevent tipping.
- Use the dispensing mechanism to pour out the desired quantity of shells or wads as needed.
- Always ensure that the area around the hopper is clear of obstacles to prevent tripping.

### 5. Cleaning and Maintenance

- Clean the hopper regularly to prevent buildup of debris.

- Use a damp cloth for cleaning and avoid using harsh chemicals that may damage the product.
- Store the hopper in a dry place when not in use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding plastic and metal waste.
- If the product is no longer usable, consider recycling components where possible.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please reach out to your local retailer or refer to the manufacturer's website for assistance.

By following these guidelines, you can ensure safe and effective use of the MTM Shell & Wad Hopper Set 500 Hulls or 500 Wads 2pack. Thank you for prioritizing safety!
