Safety Instruction Guide for AR15 Charging Handles WarZ Extended Latch

Introduction

Thank you for choosing the D.S. Arms AR15 Charging Handle with WarZ Extended Latch. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely, in accordance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure you are familiar with the basic operation of your firearm before using this charging handle.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Store this product and your firearm in a secure location, out of reach of children and unauthorized users.
- Inspect the charging handle for any signs of damage or wear before each use.
- Follow all local laws and regulations regarding firearm accessories and usage.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Use the charging handle only with compatible AR15 platforms.
- Do not modify the charging handle or attempt to repair it yourself.
- Ensure that your firearm is pointed in a safe direction when using the charging handle.
- Avoid using excessive force when operating the charging handle; it should function smoothly without resistance.
- Do not use the charging handle if it is damaged or malfunctioning.
- Always wear appropriate eye and ear protection when operating firearms.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Before installing, ensure that your firearm is unloaded and pointed in a safe direction.
2. **Remove the Old Charging Handle:**
 - Open the upper receiver of the AR15.
 - Remove the existing charging handle by pulling it out of the receiver.
3. **Install the WarZ Extended Latch Charging Handle:**
 - Align the new charging handle with the receiver.
 - Slide the charging handle into the receiver until it is fully seated.
4. **Test the Installation:**
 - Pull the charging handle back to ensure it moves freely and engages properly with the bolt carrier group.

Usage

1. **Charging the Firearm:**
 - Grip the WarZ Extended Latch firmly.
 - Pull the charging handle back to chamber a round.
 - Release the charging handle to allow it to return to its forward position.
2. **Clearing Malfunctions:**
 - If a malfunction occurs, use the charging handle to clear the chamber by pulling it back and inspecting the chamber for any obstructions.

Disposal Instructions

- Dispose of the charging handle in accordance with local regulations regarding metal waste.
- Do not dispose of the charging handle in regular household waste.
- Consider recycling the product if possible.

Contact Information for Further Support
