

# 1911 HEAVY DUTY EXTRACTOR - EGW 1911 HD EXTRACTOR, .38 SUPER/9MM

[Handgun Parts](#) > [Action Parts](#) > [Extractor Parts](#) > [Extractors](#)

## Updated Design For Reliable Extraction & Long Service Life

Redesigned, ruggedly built extractor uses the tighter tolerances and improved geometry possible with 21st century materials and manufacturing technology to deliver outstanding reliability, strength, and durability. Proprietary steel alloy is precision machined with the latest CNC equipment, then vacuum heat-treated to Rc 49-51 for superb strength and tension-retaining properties. All inside corners are radiused to eliminate the sharp 90° corners where failures often occur. Claw is wider than factory specification and undercut and positioned closer to the bolt face for a tighter grip on the case rim. Body is longer, so it can be custom fitted to your slide, and nearly three times as thick as factory original for greater strength.

## Attributes

- Name: [EGW 1911 HD EXTRACTOR, .38 SUPER/9MM](#)
- Manufacturer: [EGW](#)
- Product no.: 296000133
- Mfr. No.: 10310
- Caliber: 38/357 Caliber (.357-.359)
- Finish: Blued

# Safety Instruction Guide for 1911 HEAVY DUTY EXTRACTOR EGW 1911 HD EXTRACTOR, .38 SUPER/9MM

## Introduction

Thank you for choosing the 1911 Heavy Duty Extractor by EGW. This product has been designed to enhance the performance of your 1911 pistol while ensuring safety and reliability. Please read this safety instruction guide carefully to understand the proper use, installation, and maintenance of the extractor.

## General Safety Guidelines

- Ensure that the extractor is compatible with your specific 1911 model (Government, Commander, Officers).
- Always handle firearms with care and follow standard safety practices.
- Keep the extractor and all firearm components out of reach of children and unauthorized users.
- Inspect the extractor regularly for signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- Only use the extractor with .38 Super or 9MM ammunition as specified.
- Do not modify the extractor or attempt to repair it yourself.
- Ensure the firearm is unloaded before installing or removing the extractor.
- Use protective eyewear when handling firearms to protect against accidental discharge.
- Follow the manufacturer's recommendations for maintenance and cleaning of the extractor.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your firearm is unloaded and in a safe condition.
- Gather necessary tools for installation, including a screwdriver and any other tools recommended by the manufacturer.

### 2. Installation Steps

- Remove the slide from the firearm according to the manufacturer's instructions.
- Carefully remove the old extractor if applicable.
- Install the new EGW Heavy Duty Extractor by aligning it with the bolt face and securing it in place.
- Ensure that the claw is positioned correctly for optimal grip on the case rim.
- Reassemble the slide and ensure it functions smoothly.

### 3. Usage Guidelines

- After installation, conduct a function check to ensure proper operation.
- Test the extractor with appropriate ammunition to confirm reliability.
- Regularly inspect the extractor during cleaning and maintenance of the firearm.

## **Disposal Instructions**

- Dispose of the extractor in accordance with local regulations.
- Do not dispose of the extractor in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the 1911 Heavy Duty Extractor, please refer to the manufacturer's customer support resources. Ensure that you have the product information available for efficient assistance.

By following these safety instructions, you can ensure the safe and effective use of your 1911 Heavy Duty Extractor. Always prioritize safety and adhere to best practices when handling firearms. Thank you for your attention to these important guidelines.
