

HENRY LONG RANGER PICATINNY SCOPE MOUNT - EGW HENRY LONG RANGER 1-PIECE PICATINY BASE 0 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW recommends measuring the hole spacing in your receiver to confirm it matches with the dimensions they have published. Picatinny cross slots run the full length of the rail, which gives the shooter flexibility when mounting scope rings and other accessories. The channel in the center reduces the overall mass of the mount. Also, in many cases, it will not obstruct usage of factory iron sights. EGW one-piece scope mounts are the obvious choice for hunters and tactical shooters alike. They machine these in their shop using one of their machining centers. After machining, the mounts are tumbled, sand blasted, and Type II anodized for long lasting durability. Installation: EGW recommends 20 inch lbs of torque and a drip of blue loctite (loctite is sold separately).

Attributes

- Name: [EGW HENRY LONG RANGER 1-PIECE PICATINY BASE 0 MOA](#)
- Manufacturer: [EGW](#)
- Product no.: 296000633
- Mfr. No.: 46210
- Colour: Black
- Elevation: 0 MOA
- Material: Aluminum
- Model: Long Ranger
- Number of Bases: 1-Piece
- Style: Picatinny Rail
- Weapon type: Henry
- Delivery weight: 0.091kg
- Shipping height: 25mm
- Shipping width: 102mm

HENRY LONG RANGER PICATINNY SCOPE MOUNT

Safety Instruction Guide

Introduction

Thank you for choosing the HENRY LONG RANGER PICATINNY SCOPE MOUNT. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document thoroughly before installation and use.

General Safety Guidelines

- Ensure that the scope mount is compatible with your firearm. Measure the hole spacing in your receiver to confirm compatibility with the published dimensions.
- Always handle firearms and accessories with care. Follow all relevant safety protocols when using firearms.
- Keep the scope mount and all accessories out of reach of children and unauthorized users.
- Regularly check the scope mount for wear or damage before each use, and do not use it if any issues are detected.
- In case of any accidents or unsafe products, report them to the appropriate authorities.

Specific Safety Precautions for Use

- Always confirm that the firearm is unloaded before attaching or detaching the scope mount.
- Ensure that the mount is securely attached to the firearm before using it. A loose mount can affect accuracy and safety.
- Use the recommended torque of 20 inch lbs when securing the mount. Overtightening can lead to damage.
- Apply a drip of blue Loctite to the screws to prevent loosening during use. Loctite is sold separately.
- Avoid obstructing the factory iron sights when mounting the scope. Ensure that the mount does not interfere with sight alignment.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools including a torque wrench and blue Loctite.
- Ensure your workspace is clean and welllit.

2. Installation Steps

- Measure the hole spacing in your receiver to confirm compatibility.
- Align the scope mount with the holes on your receiver.
- Insert the screws through the mount and into the receiver holes.
- Use a torque wrench to tighten the screws to a torque of 20 inch lbs.
- Apply a drop of blue Loctite to each screw after tightening for added security.

3. Usage

- Once installed, check that the scope is securely mounted and that all screws are tight.
- Familiarize yourself with the adjustments on your scope and ensure they are functioning correctly.
- Regularly inspect the mount and scope for any signs of wear or damage before each use.

Disposal Instructions

- Dispose of the scope mount and any packaging materials in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options in your area.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the EU contact point for assistance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
