

AR-15 PICATINNY DIRECT THREAD UFIR RAIL ALUMINUM - GG&G

DIRECT THREAD UFIR RAIL PICATINNY ALUMINUM BLACK 4.5"

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

Accessory Rail Bolts To Factory Plastic Handguard

Aluminum accessory rail bolts to the underside of the standard factory plastic handguard to enable fast, easy mounting of lights, vertical grips, bipods, and other accessories. The "UFIR" features 11 cross slots machined to MIL-STD-1913 specifications to provide a variety of accessory options depending on the mission. Attaches to the underside of USGI-style plastic AR-15/M16 rifle or M4-style carbine handguard using the included mounting hardware.

Safety Instruction Guide for AR15 Picatinny Direct Thread UFIR Rail

Introduction

Thank you for choosing the AR15 Picatinny Direct Thread UFIR Rail. This accessory is designed to enhance your firearm's versatility by allowing the attachment of various accessories. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always follow local laws and regulations regarding firearm accessories.
- Ensure that the firearm is unloaded before installing or handling the rail.
- Use the rail only with compatible firearms (USGI style plastic AR15/M16 rifle or M4 style carbine).
- Regularly inspect the rail and its attachments for wear and damage.
- Keep the rail and accessories out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Precautions:**
 - Use only the mounting hardware included with the rail.
 - Ensure that all screws and fittings are tightened securely to prevent loosening during use.
- **Usage Precautions:**
 - Avoid placing excessive weight on the rail beyond its designed capacity.
 - Do not modify the rail or its components in any way.
 - Be mindful of the rail's position when firing to prevent interference with the firearm's operation.
- **Storage Precautions:**
 - Store the rail in a dry and secure location when not in use.
 - Avoid exposure to extreme temperatures and humidity, which can affect the rail's integrity.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the standard factory plastic handguard from the firearm.
- Align the UFIR rail with the underside of the handguard.
- Use the included mounting hardware to secure the rail in place. Ensure all screws are tightened properly.
- Reattach the handguard to the firearm, ensuring the rail is firmly secured.

2. Usage:

- Attach accessories such as lights, vertical grips, or bipods to the rail using compatible mounting systems.
- Check that all accessories are securely fastened before use.
- Regularly inspect the rail and accessories during use to ensure they remain secure.

Disposal Instructions

- Dispose of the rail and any associated hardware in accordance with local regulations.
- If the rail is damaged or no longer usable, it should be recycled or disposed of responsibly to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the AR15 Picatinny Direct Thread UFIR Rail, please refer to the manufacturer's customer support resources. Ensure that you have the product information and any relevant details ready for assistance.

Thank you for your attention to these safety instructions. Your safety and the safe operation of your firearm are our top priorities.
