Introduction

Thank you for choosing the ANGLED EYEPIECE GRADIENT LENS. This product is designed to provide a convenient viewing angle when using a borescope. To ensure your safety and the safe use of this product, please read and follow the instructions in this guide carefully.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always inspect the eyepiece for any damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product conditions to the appropriate authorities.
- Stay updated on product recalls and safety notices through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Do not attempt to disassemble or modify the eyepiece.
- Avoid using the eyepiece in wet or damp conditions to prevent electrical hazards.
- Use the eyepiece with compatible borescopes only. Check compatibility before use.
- Ensure that the eyepiece is securely attached to the borescope eyecup before use.
- When using the eyepiece, maintain a stable posture to avoid strain or injury.

Instructions for Installation and Usage

1. Installation:

- Remove the eyepiece from its packaging.
- Align the eyepiece with the borescope eyecup.
- Firmly attach the eyepiece by pushing it into place until it clicks or feels secure.

2. Usage:

- Position yourself comfortably to minimize neck strain.
- Rotate the eyepiece 360° to find the best viewing angle for hard-to-reach locations.
- Look through the eyepiece to observe the bore without straining your neck.
- If the image appears distorted, check the alignment and ensure the internal mirror is functioning correctly.

Disposal Instructions

- Dispose of the eyepiece in accordance with local regulations for electronic waste.
- Do not dispose of the product in household waste.
- If unsure about disposal methods, consult local waste management authorities for guidance.
