# Safety Instruction Guide for the QUIET MUZZLE BRAKE 6.5 CALIBER

## Introduction

Thank you for choosing the Gentry Custom Quiet Muzzle Brake 6.5 Caliber. This product is designed to enhance your shooting experience by effectively reducing recoil and muzzle jump. To ensure safe and effective use, please read and follow this safety instruction guide carefully.

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Ensure that the muzzle brake is compatible with your firearm's caliber and thread specifications.
- Keep the muzzle brake and firearm out of reach of children and unauthorized users.
- Wear appropriate safety gear, including eye and ear protection, when using the firearm equipped with the muzzle brake.
- Regularly inspect the muzzle brake for wear, damage, or corrosion before each use.
- Do not modify the muzzle brake or firearm in any way that could compromise safety or performance.
- Follow all local laws and regulations regarding firearm usage and modifications.

## Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction at all times during installation and usage.
- Do not exceed the recommended caliber specifications for the muzzle brake (6.5mm).
- Avoid using the muzzle brake with ammunition that exceeds standard pressure limits.
- Be aware that the installation of a muzzle brake may change the way the firearm behaves; practice with it in a controlled environment before using it in the field.
- If you experience any unusual sounds or recoil during use, stop using the firearm immediately and inspect the muzzle brake and firearm for issues.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing muzzle device (if applicable) from the firearm.
- Clean the threads on the muzzle of the firearm to ensure a secure fit.
- Align the muzzle brake with the threads of the firearm and handtighten it in a clockwise direction.
- Use a wrench to securely tighten the muzzle brake, ensuring it is snug but not overtightened.
- Check that the muzzle brake is properly aligned and securely attached before use.

### 2. Usage:

- Always check that the firearm is in safe mode before loading.
- Load the firearm with appropriate ammunition (6.5mm).
- Ensure that you are in a safe shooting environment, away from bystanders.
- Fire the firearm while maintaining a firm grip and a stable shooting stance.
- After firing, inspect the muzzle brake for any signs of damage or loosening.

## Disposal Instructions

- Dispose of the muzzle brake in accordance with local regulations.
- If the muzzle brake is damaged or no longer in use, do not throw it in regular trash. Contact your local

waste management authority for proper disposal methods.

## Contact Information for Further Support

For safety inquiries or product support, please consult the manufacturer's website or contact their customer service. Ensure that you have your product details ready for assistance.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your Gentry Custom Quiet Muzzle Brake 6.5 Caliber. Thank you for your attention to safety.
