# Safety Instruction Guide for BARREL BLANKS .22 1:16 SS, 25" BARREL

## Introduction

Thank you for purchasing the BARREL BLANKS .22 1:16 SS, 25" BARREL. This product is designed for custom rimfire rifle applications. Please read this safety instruction guide carefully to ensure safe and proper use of the barrel blanks.

## General Safety Guidelines

- Always handle the barrel blanks with care to prevent injury.
- Ensure that you are using the product in a safe environment, away from children and pets.
- Follow all local laws and regulations regarding the use and installation of firearm components.
- If you are not familiar with the installation and use of firearm parts, seek assistance from a qualified gunsmith or professional.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper handling or installation may result in personal injury or damage to property.
  - The barrel blanks are not chambered or threaded, which means they require custom fitting.
- **Avoiding Hazards:**
  - Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling the barrel blanks.
  - Ensure the work area is clean and free of distractions when working with the barrel blanks.
  - Never attempt to modify or alter the barrel blanks in any way without professional guidance.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure that the firearm is completely unloaded before beginning any installation work.
  - Consult a qualified gunsmith for assistance with fitting the barrel blanks to your custom rimfire rifle.
  - Follow the gunsmith's instructions carefully during the fitting process to ensure proper installation.
- **Usage:**
  - Once installed, perform a thorough inspection of the firearm to ensure that all components are secure and functioning properly before use.
  - Always follow safe shooting practices and guidelines when using your custom rimfire rifle.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the barrel blanks are no longer usable, consult your local waste management authorities for guidance on proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the BARREL BLANKS .22 1:16 SS, 25" BARREL, please refer to the EU-based contact point provided by the manufacturer.

## Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your BARREL BLANKS .22 1:16 SS, 25" BARREL. Always prioritize safety and seek professional assistance when needed. Thank you for your attention to these important guidelines.
