

GLOCK® LEDGE STRAIGHT EIGHT SUPPRESSOR SIGHT SET - HEINIE

GLOCK® LEDGE STRAIGHT 8 SUPRESSOR SIGHT SET

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

These sights feature the very popular Ledge style rear that is designed for quick acquisition of the front sight utilizing a wider notch width of .156. The rear face of the sight is serrated and has enough material to catch on your belt, boot, jean seam...any surface available in an emergency for one-handed clearance drills! In addition this sight set is equipped with the legendary Heinie Straight Eight night sight system. This is a must-have modification for your carry pistol! This sight set does not require modifications to the slide. The "Straight Eight" configuration is one tritium dot in the front and one tritium dot in the rear that aligns vertically for fast acquisition in low-light situations. Fits All Glock~ Models except G36, G42 & G43. TALL for use with suppressor.

"GLOCK" is a federally registered trademark of Glock, Inc. and is one of many trademarks owned by Glock, Inc. or Glock Ges.m.b.H. Brownells is an independent dealer of parts and accessories for Glock pistols, and is not affiliated with or endorsed by Glock, Inc. or Glock Ges.m.b.H. GLOCK® LEDGE STRAIGHT EIGHT SUPPRESSOR SIGHT SET Safety Instruction Guide

Introduction

Thank you for choosing the GLOCK® Ledge Straight Eight Suppressor Sight Set by Heinie. This product is designed to enhance your shooting experience by providing quick sight acquisition and improved accuracy in lowlight conditions. Please read this safety instruction guide carefully to ensure safe and effective use of your new sight set.

General Safety Guidelines

- Ensure that the firearm is unloaded before installing or adjusting the sight set.
- Always handle firearms with care and follow the basic rules of gun safety.
- Store the sight set in a safe place, away from children and unauthorized users.
- Regularly inspect the sight set for any signs of damage or wear.
- If you notice any irregularities or malfunctions, cease use immediately and consult a professional.

Specific Safety Precautions for Use

- The sight set is designed for use with GLOCK® models, excluding G36, G42, and G43. Ensure compatibility before installation.
- Use the sight set only for its intended purpose. Do not modify or alter the sight in any way.
- Be aware that the tritium used in the night sights emits low levels of radiation. Although deemed safe, do not attempt to dismantle the sight set.
- Avoid using the sight set in extreme weather conditions, as this may affect its performance.
- If you are unfamiliar with firearm modifications, seek assistance from a qualified gunsmith for installation.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a sight pusher tool or appropriate screwdriver.

2. Installation:

- Remove the existing sights from your GLOCK® pistol using the sight pusher tool or screwdriver.
- Align the Heinie Ledge Straight Eight Suppressor Sight Set with the sight dovetail on the slide.
- Carefully press or screw the new sights into place, ensuring they are secure and aligned properly.
- Check the alignment by looking down the sights to ensure they are straight.

3. Usage:

- Familiarize yourself with the sight picture provided by the Straight Eight configuration.
- Practice acquiring the front sight quickly, especially in lowlight conditions.
- Regularly check the sights for tightness and adjustment as needed.

Disposal Instructions

- Dispose of the sight set responsibly. If the sight is damaged or no longer usable, consult local regulations for electronic waste disposal.
- Do not dispose of the sight set in regular household waste. Check for recycling programs or hazardous

waste disposal options in your area.

Contact Information for Further Support

For any questions or concerns regarding the GLOCK® Ledge Straight Eight Suppressor Sight Set, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your new sight set. Always prioritize safety when handling firearms and seek professional guidance when necessary.
