CED7000 Chrome RF Timer Safety Instructions

Introduction

Thank you for choosing the CED7000 Chrome RF Timer by Competitive Edge Dynamics. This guide provides essential safety instructions and information to ensure the safe and effective use of your timer. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure the timer is used only for its intended purpose as described in this manual.
- Always follow the manufacturer's instructions for installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the timer for any signs of damage or malfunction.
- If you notice any issues, discontinue use immediately and contact the manufacturer.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Electrical Safety**:

    - Ensure that the timer is used in a dry environment to prevent electrical hazards.
    - Do not expose the timer to moisture or extreme temperatures.

- **Wireless Connectivity**:

    - Verify that the wireless connection is secure before use to avoid signal loss.
    - Maintain a distance of at least 50 yards from the linked CED BigBoard or CED Time Keeper to ensure optimal performance.

- **Usage Environment**:

    - Use the timer in welllit areas to ensure visibility of the display.
    - Avoid using the timer in crowded or chaotic environments where it may be accidentally damaged.

- **Handling and Storage**:

    - Handle the timer with care to avoid dropping or damaging it.
    - Store the timer in a safe place when not in use to prevent accidental damage.

Instructions for Installation and Usage

1. **Installation**:

    - Unpack the timer and check for any visible damage.
    - Ensure that the timer is placed on a stable surface.
    - If connecting to a CED BigBoard or CED Time Keeper, follow the specific pairing instructions provided in their respective manuals.

2. **Usage**:

    - Turn on the timer using the power button.
    - Use the wireless remote to start, stop, and reset the timer as needed.
    - Monitor the timer display for accurate timing results.

- If using in conjunction with other devices, ensure they are properly linked and functioning.

Disposal Instructions

- Dispose of the CED7000 Chrome RF Timer in accordance with local regulations.
- Do not dispose of the timer in regular household waste.
- Consider recycling options to minimize environmental impact.

Contact Information for Further Support

For further support and inquiries regarding safety or product issues, please refer to the manufacturer's contact details provided in the product packaging or on the official website.

Thank you for following these safety instructions. Enjoy using your CED7000 Chrome RF Timer responsibly!
