

QUICK DISCHARGE BRAKE 30 CALIBER - HOLLANDS GUNSMITHING

QUICK DISCHARGE BRAKE 30 CALIBER 9/16-28 SS SILVER

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Three expansion chambers provide up to 45% measured reduction in felt recoil. Triple baffle, exhaust slots redirect noise and muzzle blast away from the shooter. Gives high volume shooters a quiet sounding brake that's easy to clean. Closed bottom keeps exiting gas from blowing up dirt and debris. Tapered shank for easier fitting to different barrel diameters. Adds 1-1/4" to barrel length. Comes with a thread protector.

QUICK DISCHARGE BRAKE 30 CALIBER Safety Instruction Guide

Introduction

Thank you for choosing the QUICK DISCHARGE BRAKE 30 CALIBER by HOLLANDS GUNSMITHING. This product is designed to reduce felt recoil and minimize noise during shooting. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always follow local laws and regulations regarding firearm accessories.
- Ensure that the brake is compatible with your firearm before installation.
- Regularly inspect the brake for any signs of wear or damage.
- Use protective gear such as ear and eye protection when shooting.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe product conditions immediately to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation may result in malfunction or injury.
 - High volume shooting without proper precautions can lead to hearing damage.
- **Avoiding Hazards:**
 - Ensure the brake is securely attached before use.
 - Do not attempt to modify the brake or firearm.
 - Always check that the exit hole is properly drilled for your caliber.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing muzzle device if applicable.
- Clean the threads of the barrel to ensure a secure fit.
- Align the brake with the barrel threads and screw it on clockwise.
- Use a thread protector when the brake is not in use.
- Confirm that the brake is tight but do not overtighten.

2. Usage:

- After installation, perform a function check to ensure proper operation.
- When shooting, maintain a stable shooting position.
- Monitor the brake for any unusual sounds or movement during use.
- Clean the brake regularly to prevent buildup of debris.

Disposal Instructions

- Dispose of the product in accordance with local regulations.

- Do not dispose of the product in household waste.
- Consider recycling options for metal components where applicable.

Contact Information for Further Support

- For safety inquiries, please contact your local dealer or the manufacturer directly.

Thank you for prioritizing safety while using the QUICK DISCHARGE BRAKE 30 CALIBER. Enjoy your shooting experience responsibly!
