Safety Instruction Guide for Hogue AR15/M16 Rubber Grip Beavertail

Introduction

Thank you for choosing the Hogue AR15/M16 Rubber Grip Beavertail in Flat Dark Earth. This product is designed to enhance your shooting experience with comfort and control. To ensure safe and effective use, please read this safety instruction guide thoroughly.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the grip.
- Keep the grip and all firearm accessories out of reach of children and unauthorized users.
- Inspect the grip for any visible defects or damage before use.
- Follow all local laws and regulations regarding the use and handling of firearms.
- Use protective gear, such as eye and ear protection, when using firearms.

Specific Safety Precautions for Use

- Avoid using the grip if it shows signs of wear or damage.
- Do not modify the grip in any way that could compromise its integrity.
- Ensure that the grip is securely attached to the firearm before use.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe conditions or incidents to the appropriate authorities.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grip from the firearm by loosening the screws or fasteners.
- Align the Hogue AR15/M16 Rubber Grip with the firearm's grip mount.
- Securely attach the grip using the provided screws or fasteners, ensuring it is tightly fitted.
- Check for any movement or looseness in the grip before use.

2. Usage:

- Hold the firearm with a firm grip, ensuring your fingers are positioned correctly on the grip.
- Maintain proper shooting stance and posture for optimal control.
- After use, clean the grip with a damp cloth to remove any dirt or debris.

Disposal Instructions

- Dispose of the grip in accordance with local regulations regarding rubber and plastic waste.
- Do not incinerate the grip, as it may release harmful substances.
- If the grip is damaged or no longer usable, consider recycling options if available.
