

MONOGRIPS - HOGUE RUBBER GRIP FITS S&W K,L,N FRAME, TAMER CONVERSION

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Finger-Grooved, Palmwell Design For A Solid, Hand-Filling Grip

One-piece construction keeps the grip rock-solid on the frame - no shift or wobble to destroy concentration and accuracy. Ergonomic design positions right- or left-hand exactly, shot after shot; plus helps absorb recoil. Nylon and rubber grips feature a stippled surface that stops hand slip without causing clothing wear when carried in a holster. Rubber, Round-To-Square grips give the appearance and feel of a comfortable, hand-filing square grip on factory, round-grip frames.

MONOGRIPS HOGUE RUBBER GRIP SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the MONOGRIPS HOGUE Rubber Grip for your Smith & Wesson K, L, and N Frame firearms. This guide provides essential safety instructions to ensure the safe use of your grip. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the grip is compatible with your firearm model (K Frame, L Frame, N Frame).
- Always handle firearms with care and follow standard safety protocols.
- Keep the grip and firearm out of reach of children and unauthorized users.
- Regularly inspect the grip for wear or damage before each use.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

Specific Safety Precautions for Use

- Use the grip only as intended for the specified firearm models.
- Avoid using the grip if it shows signs of damage or excessive wear.
- Do not modify the grip in any way, as this may compromise safety and performance.
- Ensure that your hands are clean and dry before using the grip to maintain optimal control.
- When carrying the firearm with the grip, use a proper holster to prevent accidental discharge.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grip if applicable, following the manufacturer's instructions.
- Align the MONOGRIPS HOGUE Rubber Grip with the frame of the firearm.
- Securely attach the grip, ensuring it fits snugly without any gaps.
- Check that the grip is stable and does not shift when handled.

2. Usage:

- Hold the firearm with a firm grip, using the ergonomic design of the MONOGRIPS HOGUE Rubber Grip.
- Practice proper shooting techniques to enhance accuracy and control.
- Regularly clean the grip to maintain its stippled surface and ensure a nonslip hold.
- If you experience difficulty or discomfort while using the grip, discontinue use and consult a professional.

Disposal Instructions

- Dispose of the grip in accordance with local regulations.
- Do not dispose of the grip in regular household waste if it contains hazardous materials.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any questions or concerns regarding the MONOGRIPS HOGUE Rubber Grip, please refer to the manufacturer's contact information provided with your product packaging.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable experience with your MONOGRIPS HOGUE Rubber Grip. Always prioritize safety and responsible firearm handling practices. Thank you for your attention to these important guidelines.
