AK47 Underfolder Receiver Safety Instruction Guide

Introduction

Thank you for choosing the AK47 Underfolder Receiver by High Standard. This product is designed for use in building a reliable underfolder firearm. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that all safety instructions are followed during installation and use.
- Keep the product out of reach of children and unauthorized users.
- Regularly check for updates regarding recalls or safety notices on the EU Safety Gate platform.
- Always use personal protective equipment (PPE) when handling or working with the receiver.
- Report any unsafe conditions or accidents associated with this product to the appropriate authorities.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation may lead to malfunctions.
- Handling the receiver without proper training can result in accidents.
- The receiver is designed for use with specific trigger groups; using incompatible components may pose risks.

• Avoiding Hazards:

- Always verify that the receiver is compatible with your firearm build.
- Follow all local laws and regulations regarding firearm assembly and use.
- Do not attempt to modify the receiver beyond its intended design specifications.
- Ensure that the firearm is unloaded before working on or inspecting the receiver.

• AgeSpecific Warnings:

- This product is intended for adult use only. Keep it away from minors.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components for the assembly.
- Ensure that you are in a safe and controlled environment.

2. Installation Steps:

- Begin by ensuring the receiver is free from any obstructions or debris.
- Align the receiver with the other components of your firearm build, ensuring that all parts fit correctly.
- Secure the center support and weld the rails as per the manufacturer's guidelines.
- Install the trigger group, ensuring that it matches the double hook pattern or is compatible with a single trigger.

3. Usage Instructions:

- Once assembled, perform a thorough safety check of the entire firearm.
- Ensure that the firearm is in a safe condition before handling.
- Always follow safe firearm handling practices, including:
 - Treating all firearms as if they are loaded.
 - Pointing the firearm in a safe direction at all times.
 - Keeping your finger off the trigger until ready to shoot.

Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous materials.
- Do not dispose of the receiver in regular household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the AK47 Underfolder Receiver, please refer to the manufacturer's website or contact their support team for assistance.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on your responsible use and handling of this product.
